Dear Madam:

Receipt is acknowledged of your letter of July 7, 1929,
relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe.

It is regretted to have to advise that it will not be
possible for your daughter to accompany you on the journey, as
there is no provision in the Act of March 2, 1929, which permits
of any member of the family accompanying the mother or widow mak-
ing the trip.

You may be assured that the War Department will assign
suitable personnel to provide for the comfort of the mothers and
widows on the journey.

Plans for the pilgrimage have not progressed far enough to
enable this office to advise you definitely relative to a restricted
time, boat and stop-over. Just as soon as a definite answer can be
given, you will be so advised.

Your attention is invited to the third paragraph of our
letter to you of June 28, 1929, in which you are requested to ad-
vise whether or not your son was married. If so, please advise
the widow's full name and address, as she will be entitled to make
this pilgrimage if she has not remarried.

Very truly yours,

A. D. Hughes,

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late 1st Lieutenant Sydney W. Beauclerk, 12th Aero Squad. 4th Army Cps., whose remains are now interred in the Meuse-Argonne Amer. Cty., Romagne-sous-Montfaucon, Meuse, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

Dear Madam:

Very truly yours,

Somewhat heavier clothing is required to be worn in Europe than is necessary in the United States, in order to be comfortable. During the summer in Europe it is cool during the day and the nights are frequently chilly. Considerable rain is usually encountered during this time.

In order that you may be comfortable at all times, regardless of the condition of the weather, and may avoid missing any of the sights or any part of the itinerary which has been planned for you, the following suggestions are made.

The clothing which you will take with you should be slightly heavier and warmer than you would normally wear in the United States during the summer and should be strong and durable. It is essential that you take with you the necessary equipment to afford protection from the cold and dampness. Be sure to take at least two pairs of comfortable shoes to provide a change in the event your feet become wet, a pair of rubbers, an umbrella, and a sweater or some warm wrap to be used should the weather become uncomfortably cool. It is very desirable that, in addition to the sweater, you have with you a full length coat of medium weight for general wear.

The shortages of suitable facilities for laundry and the frequency of the moves you will make while in Europe will make it impracticable to secure as frequent service of this nature as may be desired. You should therefore provide yourself with sufficient underwear, nightgowns, stockings and handkerchiefs to meet your requirements should it be impossible to have your washing done more frequently than once in two weeks.

If you will read carefully the suggestions made above, and comply with them, it will add greatly to your comfort throughout the trip and will assist the Government in carrying out successfully its plans for conducting the pilgrimage. This letter is being sent to every mother and widow who has accepted the invitation sent to her by the Government to visit the grave of her son or husband.

Very truly yours,

A. D. HUGHES,

Dear Madam:

Requests for stop-overs on return from the pilgrimage to the American cemeteries in Europe are being received by this office, in some cases, too late to take action.

Transportation arrangements for the round-trip are made a month before departure and requests for stop-overs on return must be in this office at that time.

Stop-overs can not be allowed on the trip to New York or in Europe, but may be allowed at any point on return from New York provided there is no additional cost or, if there is, that it is paid in advance by the pilgrim.

If you desire stop-overs at any point on return, please advise this office AT ONCE as to the cities where you desire to stop and we will be glad to arrange accordingly, or advise you if there is any additional cost to be paid by you. Send your request direct to this office and do NOT include it with your passport application.

Mrs. Jennie Heywood Beauclerk,
104 Warren Street,
Concord, N. H.
Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office,

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,

Honorable Edward H. Wason,

My dear Mr. Wason:

Receipt is acknowledged of your letter of March 25, 1930, relative to the desire of Mrs. W. P. Beauclerk to make a pilgrimage to the grave of her son, the late Lieut. Sydney W. Beauclerk, under the provisions of the Act of March 2, 1929.

The records of this office show that Mrs. Beauclerk is eligible to make the pilgrimage and desires to make the journey in 1930. The plans for the pilgrimage provide that the mothers and widows will make the journey in groups by States.

In this connection you are advised Mrs. Hoover made a drawing to determine the order in which the States are to be sent. New Hampshire appears fifty-third on this list. Inasmuch as the first sailing is scheduled for May 7, 1930, it is anticipated the mothers and widows from New Hampshire who will visit the Meuse-Argonne American Cemetery will make the journey some time in August.

A formal invitation setting forth the name of the vessel upon which reservation has been made for you and the date of sailing together with detailed information relative thereto will be forwarded Mrs. Beauclerk within a reasonable length of time.

For The Quartermaster General.

Very truly yours,

Dear Madam:

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

Dear Madam:

Receipt is acknowledged of your letter of July 7, 1929,
relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe.

It is regretted to have to advise that it will not be possible for your daughter to accompany you on the journey, as there is no provision in the Act of March 2, 1929, which permits of any member of the family accompanying the mother or widow making the trip.

You may be assured that the War Department will assign suitable personnel to provide for the comfort of the mothers and widows on the journey.

Plans for the pilgrimage have not progressed far enough to enable this office to advise you definitely relative to a restricted time, boat and stop-over. Just as soon as a definite answer can be given, you will be so advised.

Your attention is invited to the third paragraph of our letter to you of June 23, 1929, in which you are requested to advise whether or not your son was married. If so, please advise the widow's full name and address, as she will be entitled to make this pilgrimage if she has not remarried.
