BEERSTEL, Mandel - Pvt.

Mrs. Guissell Beerstel Itskovich,
681 Cuenca Street,
Buenos Aires, Argentine Republic,
South America.

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American overseas military cemetery is to be maintained by the United States for all time. The graves will be permanently marked by white headstones inscribed with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves, as soon as possible, and without necessity for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Pvt. Med. Det. 132nd Inf.

All the records of this office show Private Mandel Beerstel, Med. Det., 132nd Infantry to be buried in Grave #26, Plot #2, Row C, Cty. #443.

All the Photographic records show the same grave numbers in this row of this Plot as is shown by the records of this office. B-14496 shows Grave #25, to belong to Walenty Horzewski which agrees with records of this office.

The photograph furnished by Jewish Welfare Board is not an official Photograph as it has no Photo number. In removing the cross over this grave and placing a head board instead, the wrong number may have been placed on the headboard, causing this discrepancy.
