Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Mrs. Antonio Bellissimo,
Nicastro, Italy.

Dear Madam:

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late husband, Private Antonio Bellissimo, United States Army, to remain buried in France, in the care and custody of the United States, or to be delivered to you for reburial in Italy, or that it be returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. This Government bears all expense in connection with the transfer of the body.

Should you desire to have the body removed to Italy for reburial such transfer will be subject to the health regulations and sanitation laws of France and Italy, and should the operation of such instrumentalities prevent the removal of the body in the manner desired, it will remain in the care and custody of the American Graves Registration Service in Italy, and will be cared for under the supervision of this Government.

Envelope for use in making reply is enclosed herewith.

The Department wishes to convey to you its assurance of sympathy in your bereavement.
