Mr. Paul Hendrickson,

Dear Sir: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Case of: Corporal Herman Bjornhang, 49902,

Place of Burial: Disinterred & Reburied in
Grave #97, Section 6, Plot 2,
St. Michiel American Cemetery 1233,

1.- It would be likely to involve further delay if we should write personal letters in each of the many cases of notification of relatives as to the present resting places of their noble dead who glorify the nation's roll of honor.

2.- Will you therefore, please accept this letter as being the best we can do, just now? And will you also accept the sympathy of those who have been working hard for many months to render worthy service to tens of thousands of sorrowing people, in the care of their dead?

3.- Many delays in notification have resulted from our ignorance of proper addresses, shortage of clerical personnel, incomplete and imperfect information, or non-delivery and return of former letters.

4.- Thousands of bodies have been transferred to larger and better cemeteries, for reasons which were deemed imperative by the military authorities of all the Allied Nations, and the great task of improving these cemeteries is well under way. The most diligent care has been exercised to insure accuracy, and this immense project is being carried through as an unquestionable service to the friends of our dead.

5.- In serving you and others, we have been hampered by conditions and consequences of such a war as we hope may never involve our country again.
