Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your letter of March 17, advising that your mother is unable to accept the invitation to sail on the steamship "Roosevelt", May 28, 1930, to visit the grave of her son, the late Corporal William P. Bliss, under the provisions of the Act of March 2, 1929.

Your mother's name has been placed upon the list of mothers and widows eligible to make the journey in 1931. In the event she desires to make the journey during the coming summer, it is requested you notify this office immediately as to the time she desires to make the pilgrimage in order that arrangements may be made for her.

In connection with your inquiry as to whether or not a companion could accompany your mother, you are advised under the law providing for this pilgrimage the Government cannot bear any part of the expens of a relative or friend accompanying any mother or widow authorized to make the pilgrimage, nor can it make any arrangements for them. This must be entirely a personal matter.

It may be possible for a companion to secure accommodations on the same ship and possibly at the same hotels in New York and Paris, but in view of the limited accommodations your mother and companion could not travel to the cemetery together, and it is doubtful if they could secure accommodations in the same town near the cemetery. The Government can assume no responsibility for relatives OR friends accompanying pilgrims and they must not expect medical or other assistance from the Government or to be included in official tours paid for by the Government.

If a companion desires to accompany your mother under these conditions it is suggested you write for further information to the United States Lines, 1027 Connecticut Ave., Washington, D. C., who will no doubt be able to give you complete information as to cost of transportation. This company is a commercial line which owns and operates the vessels upon which reservations have been made for all mothers and widows making the pilgrimage. It is understood that they have arranged with some of the tourist agencies to take care of any relatives or friends and make all arrangements for their accommodations while in Europe.

For The Quartermaster General.

The records of this office show that you have not accepted or declined the invitation extended you to make a pilgrimage to Europe under the provisions of the Act of March 2, 1929, sailing on the "Republic" on June 3, 1931.

In order that arrangements may be completed for the pilgrimage, it is imperative that you complete the card enclosed with the invitation signifying whether or not you accept the invitation and return the same to this office.

In the event no reply is received from you before March 17, 1931, the invitation will be automatically cancelled.

Should you desire to make the pilgrimage at a later date, it is requested that you advise this office to that effect.

Dear Madam:

Arrangements are now being made for conducting pilgrimages during the year 1931, to the cemeteries in Europe under the provisions of the Act of Congress of March 2, 1929.

To assure proper and satisfactory accommodations, reservations for steamship transportation required during the summer of 1931 must be made by this office not later than August 1st of this year. It is therefore desired that you answer the question below by writing the word "Yes" or "No" in the blank space following the question.

As soon as you have answered the question, please sign your name and return this sheet in the enclosed addressed envelope, which requires no postage. Do not delay, as a prompt reply is essential.

This letter is being sent to all mothers and widows who are not making the pilgrimage in 1930, regardless of whether or not they have expressed a desire to make the pilgrimage.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,

March 25, 1930

Mrs. Georgia B. Bergez,
521 North Redington Street,
Hanford, California.

Dear Madam:

Receipt is acknowledged of your letter of March 17, advising that your mother is unable to accept the invitation to sail on the steamship "Roosevelt", May 22, 1930, to visit the grave of her son, the late Corporal William P. Bliss, under the provisions of the Act of March 2, 1929.

Your mother's name has been placed upon the list of mothers and widows eligible to make the journey in 1931. In the event she desires to make the journey during the coming summer, it is requested you notify this office immediately as to the time she desires to make the pilgrimage in order that arrangements may be made for her.

In connection with your inquiry as to whether or not a companion could accompany your mother, you are advised under the law providing for this pilgrimage the Government cannot bear any part of the expens of a relative or friend accompanying any mother or widow authorized to make the pilgrimage, nor can it make any arrangements for them. This must be entirely a personal matter.

It may be possible for a companion to secure accommodations on the same ship and possibly at the same hotels in New York and Paris, but in view of the limited accommodations your mother and companion could not travel to the cemetery together, and it is doubtful if they could secure accommodations in the same town near the cemetery. The Government can assume no responsibility for relatives or friends accompanying pilgrims and they must not expect medical or other assistance from the Government or to be included in official tours paid for by the Government.

If a companion desires to accompany your mother under these conditions it is suggested you write for further information to the United States Lines, 1027 Connecticut Ave., Washington, D. C., who will no doubt be able to give you complete information as to cost of transportation. This company is a commercial line which owns and operates the vessels upon which reservations have been made for all mothers and widows making the pilgrimage. It is understood that they have arranged with some of the tourist agencies to take care of any relatives or friends and make all arrangements for their accommodations while in Europe.

For The Quartermaster General.

Very truly yours,

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

"On the morning of October 14, 1918, I was acting as assistant to Corp. Bliss. We were between Septsarges and Mantillois waiting for orders and at about 5:00 A. M. a shell burst about five feet from the truck on the side on which Corp. Bliss was sitting. I picked him up and assisted in getting him to a nearby first aid station but he did not regain consciousness and died about fifteen minutes after reaching there. He was struck by shrapnel in both arms, the right leg, chest and behind the right ear. He was ~~buried~~ buried in Septsarges."
