Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.
