Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Mrs. Kate Bonyea,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. Mrs. Kate Bonyea,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. For The Quartermaster General,

Bonyea Fred Wagoner 13307

Accidentally killed Apr. 19th 1918

On April 19th 1918 Bonyea was driving an escort wagon to Meville-la-Tour, France at Meville, Somme. He was going to the Divisional Depot. Wagoner Fred Bonyea was killed in April near Minne la Tour. He was driving an escort wagon when his mules ran away and ran over his neck. I saw him after he was killed. I was present when he was buried in a French cemetery in this town the only one to be buried then; but other Americans were buried there. He was buried about noon the next day. The captain and the whole Company were there. His grave was marked with the cross and his tag. He was a rough sort of a fellow. He was run over by the mules at the two right hand wheels of the wagon. He never recovered.

" On April 13th 1918 Bonney was driving an escort wagon to Hentli-
Lore, near the of Roselle, from Douy. He was going to the Division
G.M. with material which was to be unloaded, I was with him. We had to
wait for a G.M. Sgt. Boyce we could unload, so Bonney fed the mules in
mountain. After the G.M. Sgt. arrived he told us to unload, when we
started to do while the mules were eating. I was in the wagon handling
out the things to Bonney. The mules became frightened by a locomotive
whistle so I jumped to the seat and Bonney ran around in front to help
stop the mules. He tripped and fell underneath the off mule lead mule,
and was run over by the off wheel and the two right hand wheels of the
wagon. He never regained consciousness, but died the same day."
