Sir,

We have taken note of the bulletins and circulars, and thank you for same. From these we learn of the death of Soldier BORASCHI GELINDO, (buried) Pvt. Co.H., 125th Infy. whereas we have not as yet received official notification of his death from competent authority.

In the name of the family we pray you to expedite the sending of the photograph of his grave, the which is under your jurisdiction, and for the sake of the relatives to send us the following information:

A. XX They desire the personnel effects of the deceased, who ----- ought, among the papers of importance, to contain a small sum due him from California, but we do not know when, nor the quantity, nor the source, for it was not written in the last letter written by the deceased dated the 14th January, 1918, from France.

B. The insurance of the deceased soldier in favor of his brother BORASCHI ALESSANDRO did not as yet come to the latter confirmed by the relative ticket. It is why said ticket will be turned over to competent authority (office). On the other hand we cannot claim the payment of the Insurance because we have not the official notifications of the death.

C. The deceased had allotted (on terms) 15 dollars (7) monthly from his military pay in favor of his abovementioned brother, Boraschi Alessandro, but from this allotment he only received one payment of 15 dollars and precisely with a check of October 27, 1918, and the call to arms of the deceased was effective in September, 1917. Said payment, and the letter of Jan. 14th, 1918 hereinrecorded ought to take (have taken) place Jany. 1918.

We trust in your interest in the matter to help us out, and we thank you in advance for whatever you will be able to do for us. We pray you to please reply with a short letter in Italian if possible, or in French.

October 28, 1925

Mr. Alexandria Boraschi,
Palazano,
Parma, Italy.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

L. W. REDINGTON,
