Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your communication of recent date relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

Your name has been placed upon the list of mothers and widows who are eligible to make the journey in 1931, and you will be communicated with when the pilgrimages are being arranged for that year.

There is no provision of the law which would permit the Government to bear any part of the expense of a relative or friend accompanying you, nor can it make any arrangements for them. This must be entirely a personal matter.

Should your daughter desire to make the journey at her own expense, however, it is suggested that she communicate with the steamship company with which reservation will be made for you when you are informed of the name of the vessel and the date on which you will sail. It is possible that she may be able to secure accommodations on the same ship and possibly at the same hotels in New York and Paris.

March 20, 1930

Mrs. Martha M. Bourk,
Canning, South Dakota

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,

Dear Madam:

Receipt is acknowledged of your letter of July 29, 1929, relative to the Pilgrimage of the Gold Star Mothers and Widows to France.

As the Act of March 2, does not contain any provision that would permit of any member of the family other than the mother or unmarried widow making the pilgrimage, it is regretted to have to advise you that it will not be possible for your daughter to accompany you.

You may be assured that competent personnel will be assigned by the War Department to provide for the needs and comfort of those mothers and widows making the trip.

Plans for the pilgrimage have not progressed far enough to enable this office to give definite answer relative to a visit to Sweden. You may be assured, however, that The Quartermaster General will be as liberal in granting such requests as the circumstances warrant. Just as soon as a definite answer can be given, you will be further advised.

Within a reasonable time, you will be furnished blank forms upon which to make formal application for the journey. Space will be provided on these blanks for you to indicate the time during which you desire to make the trip.

Subject: Mr. Louis A. Bourk, Canning, S. D.

Permanent Burial in France.

1. In reply to your letter of August 6th, 1920, cancelling your previous instructions for the return of the remains of your son, Pvt. 1st Class Ernest F. Bourk, and directing that his body be permanently interred in France, you are advised that the American Cemetery at Bazoilles, Vosges, wherein the remains of your son are interred, will not be maintained as a permanent American cemetery.

2. It is the policy of the government to concentrate the remains of our soldier dead, which are to be permanently interred in France, in American Fields of Honor. Three have, thus far, been established, one at Suresnes, Department of Seine (near Paris), another at Belleau Wood, Department of Aisne, and the third at Romagne-sous-Montfaucon, Department of Meuse. In the event that the remains of your son are to be buried permanently in France, it will be necessary to transfer the body to one of these cemeteries.

3. In view of this information, of which you were not previously aware, it is requested that you advise this office whether you wish the remains of your son permanently interred in an American Field of Honor in France or returned to this country, either for private burial or burial in a National Cemetery. Your previous instructions for the return of the remains of your son will remain unchanged awaiting advice from you.

By authority of the Quartermaster General:

CHARLES C. PIERCE,

Hon. G. M. Hitchcock,

My dear Sir:

In reply to your letter of August 16, 1920, you are advised that notation has been made of the desire of Mr. Louis G. Bourk to cancel his former request that the remains of his son, Private Ernest F. Bourk, Company D, 332nd Infantry, be returned to the United States for final burial, and record has been made of his present wish that the remains of this soldier be permanently interred in France. It is requested that this be confirmed in writing by Mr. Bourk so that the proper authority for action may be on file.

It is impossible to grant Mr. Bourk's request that the body of his son remain in its present resting place inasmuch as the cemetery at Bazoilles, Department of Vosges, in which the remains of Private Bourk are interred, is a temporary American cemetery and at the time of concentration, will be abandoned. The remains of soldiers buried in this cemetery, whose relatives have requested permanent interment abroad, will be transferred to one of the three permanent American cemeteries to be established.

Very truly yours,

WAR DEPARTMENT

OFFICE OF THE QUARTERMASTER GENERAL

Mrs. Martha M. Bourk,

SPECIAL

October 12, 1932.

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space NO, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here Mrs. Martha M. Bourk. Use the enclosed envelope, which requires no postage, and return this sheet. *Sorry but my health will not permit me to make this trip*

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your communication of recent date relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

Your name has been placed upon the list of mothers and widows who are eligible to make the journey in 1931, and you will be communicated with when the pilgrimages are being arranged for that year.

There is no provision of the law which would permit the Government to bear any part of the expense of a relative or friend accompanying you, nor can it make any arrangements for them. This must be entirely a personal matter.

Should your daughter desire to make the journey at her own expense, however, it is suggested that she communicate with the steamship company with which reservation will be made for you when you are informed of the name of the vessel and the date of which you will sail. It is possible that she may be able to secure accommodations on the same ship and possibly at the same hotels in New York and Paris.

I am very sorry I could not make

never undertake the trip alone as
I only have the one daughter at home

Dear Madam:

Receipt is acknowledged of your letter of April 2, 1930, relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

In connection with your inquiry as to whether you could be granted a cash settlement in lieu of the pilgrimage to the grave of your son, the late Private Ernest Baurk, I regret to advise that there is no provision of law under which any mother or widow who is eligible to make the pilgrimage is entitled to receive a money allowance in lieu of the pilgrimage.

I am sorry that you are in poor health at this time, but should your health improve and you desire to make the pilgrimage you are assured that the best of medical and nursing attention will be available on the vessels of the United States Lines which will convey the pilgrims to Europe and that every provision is being made for their comfort and care abroad.

Dear Madam:

Reference is made to office letter of August 2, 1929, relative to your desire to visit Sweden when you make the pilgrimage to the grave of your son, the late Private, First Class, Ernest F. Bourk, authorized by the Act of March 2, 1929.

It has been held that except in unavoidable cases (such as illness) there is no authority of law to extend the time specified in Section 2 (e) of the Act to cover this pilgrimage or to grant requests of individuals to leave the groups to which assigned.

Persons making the pilgrimage and desiring for other than unavoidable reasons an extension of time or variation in itinerary can be granted such extensions and variations only upon the condition that all further expenses of the pilgrimage including the return transportation to their homes will be borne by the individuals concerned.

For The Quartermaster General.

Very truly yours,

A. D. HUGHES,

Dear Madam:

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

In order that the report referred to may be made and plans completed for conducting the pilgrimages, it is requested that you answer the following questions by filling out the blanks left therefor and return the letter to this office by return mail in the enclosed envelope which requires no postage.

Dear Madam:

Receipt is acknowledged of your letter of July 29, 1929, relative to the Pilgrimage of the Gold Star Mothers and Widows to France.

As the Act of March 2, does not contain any provision that would permit of any member of the family other than the mother or unmarried widow making the pilgrimage, it is regretted to have to advise you that it will not be possible for your daughter to accompany you.

You may be assured that competent personnel will be assigned by the War Department to provide for the needs and comfort of those mothers and widows making the trip.

Plans for the pilgrimage have not progressed far enough to enable this office to give definite answer relative to a visit to Sweden. You may be assured, however, that The Quartermaster General will be as liberal in granting such requests as the circumstances warrant. Just as soon as a definite answer can be given, you will be further advised.

Within a reasonable time, you will be furnished blank forms upon which to make formal application for the journey. Space will be provided on these blanks for you to indicate the time during which you desire to make the trip.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

The Quartermaster General, U.S.A.

Sir:

Reference your number QM 293 AC Bourk, Ernest F.
Subject: Mother's Pilgrimage to American cemetery
in Romagne-sous-Montfaucon, Meuse, France.

Relying to communication of June 27th, the writer
hereby expresses the request to be permitted to take the pilgrimage
for mothers to France to visit the American Cemetery where my son
is now interred.

I am the widowed mother of Private 1-cl. Ernest F.
Bourk, Co.D, 352nd Inf., whose remains are now interred in the
Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Meuse,
France. I would like to make the trip during the year 1930 and
if possible would like to be assigned to parties going during July
or August or September, 1930. I am not entirely able to go unaccom-
panied and want my daughter to be designated to accompany me.

Will the trip be so arranged that more time than two
weeks (on my own expense) can be had in Europe. If possible, I would
like to visit my old home in Sweden while enroute back home.

I came to this country from Sweden when a child ten
years old during the year 1872; was married here to an American
citizen and have always been regarded and claim to be a citizen.

Name: Martha M. Bourk. Address: Canning, S. Dak.

Yours truly,

Martha M. Bourk

Mr. Louis A. Bourk,
Canning, South Dakota.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late Private 1/c1. Ernest F. Bourk, Co. D, 352nd Inf., whose remains are now interred in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Meuse, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

For The Quartermaster General,

Very truly yours,
