Mr. Fanagou D. Bouzas,
Hutzi-Arneoutali, Eparchy of Pylla,
Province of Messinia, Greece.

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of the late Private Gus Bouzas, Company A, 316th Engineers, is Grave 39, Row 18, Block H, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France. This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

H. J. Ganner,
Assistant.
