Dear Madam:

Reference is made to correspondence forwarded you relative to your eligibility to visit the grave of your brother, the late Private Ike Bradley, under the loco parentis clause of the Act of March 2, 1929, as amended May 15, 1930.

In order to assist in determining whether or not you may be eligible to make a pilgrimage under this provision of the law, it is requested that you furnish the following information:

1. Did you provide food, clothing and shelter for Private Bradley for a period of not less than five years at any time prior to his reaching the age of eighteen?
2. Dates of death of the parents of Private Bradley.
3. Is he survived by a stepmother?

The enclosed self-addressed envelope which requires no postage is for your convenience in replying.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Receipt is acknowledged of the questionnaire, completed by you, which indicates that you stood in loco parentis to your brother, the late Private Ike Bradley.

Section 4 (a) of the Act of March 2, 1929, as amended May 15, 1930, reads in part as follows: "or any woman who stood in loco parentis to a deceased member of the military or naval forces for a period of not less than five years at any time prior to the soldier, sailor, or marine becoming eighteen years of age".

In the event you believe yourself eligible, and desire to make the pilgrimage, it is requested that the enclosed forms be completed by at least two persons not related to you and returned to this office, in order that your eligibility under the Act may be determined. Under paragraphs 1 (c) and 1 (d), sufficient information should be included to permit an intelligible decision as to eligibility.

For The Quartermaster General.

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.

2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.

3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.

4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :	
CROWNED TEETH	Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :	
BRIDGE WORK	Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus :	
FILLINGS	Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :	
CARIES (CAVITIES)	Outline location and size of cavity, shade in thus :	
DENTURES (PLATES)	Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"	

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.

WAR DEPARTMENT

WASHINGTON

IN REPLY REFER TO ~~QM~~ 293 A-C  
BRADLEY, Ike Pvt.

April 25, 1924

Mr. Abraham Bradley,  
Smoke Bend,  
La.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

  
R. P. HARBOLD  
Assistant.
