Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the friend of the late Private Nicolo Bralatta, M.G. Co., 109th Inf., 28th Division whose remains are now interred in the Oise-Aisne American Cemetery, Seringes-et-Nesles, Aisne, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

1. We enclose herewith Form #1 Reports covering the disinterrment and reburial of 78 American Soldiers in the American Cemetery at St. Agnan (Aisne, also plan showing location. The owner of the ground is Comte de Cadi, Hotel Ste Catharine, Orleans, Loiret.

2. We would call your attention to report covering burial in grave #42. This body was found buried with P. Clegg and Sgt. F.A. Harris, but no means of identification were found on the body. The marker over the grave contained 4 names, P. Clegg, Sgt, F.A.Harris, Delaney and Barlotta, but only 3 bodies were found and two were identified as Harris and Clegg. Therefore we were unable to state whether body is that of Delaney or Barlotta,
