In behalf of Mrs. David McCabe, I am answering your letter of July 17th relative to the completing of several forms which you enclosed.

While Mrs. McCabe stood in loco parentis to Dennis Breen, if completing the forms is the purpose of establishing her eligibility for the Gold Star voyage to France, then, inasmuch as she has no desire to go on account of her health, we deem it unnecessary to complete the papers.

Yours very truly,

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
