Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late Pvt. Solomon Brown, Co. C, 539th Engrs., whose remains are now interred in the Oise-Aisne American Cemetery, Seringes-et-Nesles, Aisne, France.

Will you please fill in the answers to the following questions in the space provided on this letter, and return to this office in the enclosed envelope which requires no postage?

Write answers in space below:

1. Is the deceased survived by a widow who has not since remarried?

2. If so, give her complete address.

3. Will you make the pilgrimage?

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Quartermaster General desires that receipt be acknowledged of your letter of Aug. 5, 1924, concerning the case of the late Private Solomon Brown, Company C, 539th Engineers.

Please be advised for the information of the mother, that the body has been permanently buried in Grave 28, Row 28, Block D, Oise-Aisne American Cemetery, Seringes-et-Nesles, Aisne, France. This American military cemetery is one of those to be maintained by the United States for all time in Europe. The grave will be appropriately marked and perpetually cared for by the Government in a manner befitting the supreme sacrifice made by the soldier.

Will you kindly give Mrs. Holmes the inclosed card, giving the burial location of Private Brown, in slight token of the soldier's service to his country.

The records of this office show that the address of Mrs. Julia Gibbs Holmes, is incomplete, just "Savannah, Ga." being on record. Therefore, all correspondence addressed to her was returned unclaimed. Will you kindly furnish Mrs. Holmes' full address in order that notation may be made on the records.

Gentlemen:

Will you please give us some information concerning the grave of Solomon Brown who died in France in Oct. 1918, although being unable to locate the mother she did not know of the boy's death until she came to our office in July 1923 asking us to try to locate him for her.

She is very anxious to know about his funeral and burying place, so if you can give us this information we are sure it will make the mother happier.

April 9, 1924

Mrs. Julia G. Holmes,

Savannah,

Ga.

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Assistant.

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.  
 2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.

3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.

4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :	
CROWNED TEETH	Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :	
BRIDGE WORK	Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus :	
FILLINGS	Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :	
CARIES (CAVITIES)	Outline location and size of cavity, shade in thus :	
DENTURES (PLATES)	Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"	

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.
