Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Receipt is acknowledged of your communication of recent date advising that you are unable to make a pilgrimage to the grave of your son, the late Private Willie Brownrigg, during the summer of 1933.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of peace and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and I am indeed sorry that your health will not permit you to make the journey.

Properly qualified personnel will be provided to care for the comfort and needs of the mothers and widows, and doctors and nurses will be available. Should you make a pilgrimage you are assured that every consideration will be given your physical condition at all times.

In the event your health improves and you later feel able to visit the grave of your son next summer, it is requested you notify this office, and arrangements will be made for you.

For The Quartermaster General.

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.

Dear Madam:

Receipt is acknowledged of your communication of June 25, 1930, advising that due to ill health it will be impossible for your mother to make a pilgrimage to the grave of the late Willie Brownrigg, under the provisions of the Act of March 2, 1929, and inquiring as to whether or not you would be permitted to go in her place.

The Act provides for pilgrimages to be made by only the mothers and widows of the deceased members of the American forces. There is no provision of the law which would permit the transfer of the privilege of making this pilgrimage in the event a mother or widow is unable or does not desire to make the pilgrimage. Therefore, you are not eligible to make the pilgrimage to your brother's grave at the expense of the Government.

Notation has been made that your mother's address is changed from 3409 Market Street, St. Louis, Missouri, to 17 South Compton Boulevard, St. Louis, Missouri.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late **Private Willie Brownrigg, Co. G, 806th Pioneer Inf., whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meurthe-et-Moselle, France.**

Will you please advise this office whether or not he is survived by a widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

In the event your son was survived by a widow who has since re-married it is requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Dear Madam:

Receipt is acknowledged of your communication of recent date advising that you are unable to make a pilgrimage to the grave of your son, the late Private Willie Brownrigg, during the summer of 1933.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of peace and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and I am indeed sorry that your health will not permit you to make the journey.

Properly qualified personnel will be provided to care for the comfort and needs of the mothers and widows, and doctors and nurses will be available. Should you make a pilgrimage you are assured that every consideration will be given your physical condition at all times.

In the event your health improves and you later feel able to visit the grave of your son next summer, it is requested you notify this office, and arrangements will be made for you.

For The Quartermaster General.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your communication of June 25, 1930, advising that due to ill health it will be impossible for your mother to make a pilgrimage to the grave of the late Willie Brownrigg, under the provisions of the Act of March 2, 1929, and inquiring as to whether or not you would be permitted to go in her place.

The Act provides for pilgrimages to be made by only the mothers and widows of the deceased members of the American forces. There is no provision of the law which would permit the transfer of the privilege of making this pilgrimage in the event a mother or widow is unable or does not desire to make the pilgrimage. Therefore, you are not eligible to make the pilgrimage to your brother's grave at the expense of the Government.

Notation has been made that your mother's address is changed from 3409 Market Street, St. Louis, Missouri, to 17 South Compton Boulevard, St. Louis, Missouri.

Dear Madam: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested,

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
