Mrs. Pauline R. Brunst,
West Farmington,
Ohio.

Dear Madam:

Receipt is acknowledged of your communication of recent date advising that you do not desire to make a pilgrimage to the grave of your son, the late Private Otto Brunst, during the summer of 1933.

I am indeed sorry that you have decided not to accept this last offer of the Government to visit the last resting place of your son. The pilgrimage was authorized by Congress in an endeavor to assuage to some extent the great loss sustained by the mothers and widows whose loved ones lost their lives during the late war, and it would seem from the many letters received from women who have made the journey that this effort has not been in vain. It is believed that you too would derive great consolation from visiting the grave of your son.

Properly qualified personnel will be provided to care for the comfort and needs of the mothers and widows making the pilgrimage, and doctors and nurses will be available. During the past three years many women who were in very poor health and of advanced age have visited the cemeteries of Europe and appeared to have benefited by the sea air and the excellent care they received. Should you make the journey you are assured that everything possible will be done for your comfort and welfare.

In the event you reconsider and later desire to make a pilgrimage next summer, it is requested you notify this office and arrangements will be made for you.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,
Captain, Q. M. Corps,

Mrs. Pauline R. Brunst,
West Farnington, Ohio

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.
