An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

POLAND.

Dear Madame,

On January 30th and March 20th 1922, this Service communicated with you, requesting a statement as to your wishes regarding the final disposition of the remains of the late Private 1/cl. Stanley BUCHALSKI, #52474, Co.A. 26th Inf., who is now buried in Permanent Cemetery #1232, Romagne-sous-Montfaucon (Meuse), France. No reply has been received therefrom.

Do you wish his body to remain buried in said Permanent American Cemetery in France, or removed therefrom and buried in a National Cemetery in the United States? In either decision, the U.S. Government bears all expenses incurred.

However, should you prefer to have the remains for private interment, the U.S. Government will deliver same to you free of expense, provided the health regulations and sanitary laws permit the entry into Poland; and provided further that the deceased was, at some time during his life, a resident of the town, city or neighborhood in which you now live.

If the deceased never resided in your community, then this Service will transport the remains to the place where he actually did reside in Poland.

All expenses incidental to exhumation, sanitary preparation of body, coffins and transportation to place of delivery of remains to you will be paid by the United States Government. The burial expenses must be borne by you, but the latter expense, when not exceeding one hundred dollars (\$100), may be recovered from the Claims Division, U.S. Veterans Bureau, Washington, D.C., U.S.A. The expenditures must be substantiated by receipts. Future care of grave after burial must be financially assumed by you.

In the event it is desired that the remains be shipped to you for private burial, the attached certificate should be filled out, signed and sworn to by you, as next of kin, in the presence of an official of your commune who has authority to administer oaths; also, it must be signed and sealed by said official. The legally-executed certificate should then be returned to this Service.

If you wish to express your desires in any way, write them clearly on the bottom of this letter and return same to us.

Very truly,
