Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the cousin of the late Private, first class William Budzynski, Company B, 26th Infantry, whose remains are now interred in the Somme American Cemetery, Bony, Aisne, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

For The Quartermaster General,

Very truly yours,

JOHN T. HARRIS,

Dear Sir:

With reference to telephonic conversation of August 4th 1923 with Miss Nevitt of your office, the Quartermaster General desires you to be advised, that the records of this office show that the late Private 1st class William Bulaynski, 52762, Co.B, 26th Inf. died May 30th 1918 at Bouvillers, Oise, and was buried in Grave 153, American Cemetery, Bouvillers, Oise, France. On January 6th 1921, the remains were disinterred and reburied into Grave 117, Plot B, same cemetery.

There is on file a request from the mother, Mrs. Marja Bulaynska of Warsaw, dated June 6th 1923, for the return of the remains to Warsaw. The Department cannot favorably consider this request, in view of the decision of the Secretary of War, that no original requests, relative to the return of a body, would be considered after April 1st 1922. The deceased gave the name of Mrs. Stanley Glowski, South Bend, Ind. (cousin), as the person to be notified in case of emergency. All correspondence addressed to this party was returned unclaimed. The Department will consent to the removal of the remains to Warsaw at private expense, and the mother has been advised accordingly.

As the mother of the deceased in war William Budzynski, I receive a monthly relief of 57.50 on base of the insurance maid by my son on my behalf.

As however the said amount is not sufficient for my support and same of my children, from which three are now in schools, who now must be paid here with exceedingly high amounts and besides I am supporting my son, a war invalid, as also my son William, when alive, ever and perpetually did send me money relief, I beg to sollicitate
to grant me an indemnisation once for all for the
death of my son

Besides I beg to name me the exact place wheremy son William did fall and was inhumed, for our Government costless does bring to our land the dead bodies of fallen soldiers.

Mrs. Stanley Galewski,
South Bend, Ind.

Madam:

The War Department desires to ascertain the wishes of the families of officers, enlisted men, and civilian employees regarding the permanent disposition of the bodies of those who have died overseas.

The original plan of the Department was to deliver the body in every case at the home address of the deceased to the person legally entitled to dispose of the remains. A desire has been expressed, however, in numerous instances to have the body remain abroad, and General Pershing is likely soon to enter into negotiations with the French and Allied Governments with the view of establishing permanent cemeteries for members of the American Expeditionary Forces. Marshal Petain in a most courteous letter has informed General Pershing that "France would be happy and proud to retain the bodies of the American victims who have fallen upon her soil."

A bill is now before Congress for the establishment of "Fields of Honor" abroad, which will insure future care by the United States Government as national cemeteries are now cared for. Burials have been made heretofore in cemeteries of the Allied nations or at or near the battle field in land set apart for this purpose as a cemetery, and religious services in accordance with the rites of the Protestant, Catholic, or Hebrew faith have been held at the grave.

In case the remains of a deceased soldier are returned to the United States they will be interred either at the former home of the deceased or at a national cemetery, according to the wishes of the one authorized to direct the disposition of the remains, and all expenses, including transportation, casket, shipping case, flag, and the preparation of the remains for shipment, will be paid by the United States. Hire of a hearse and other burial expenses incurred at the home of the deceased may be paid, on application by the relatives, by the Bureau of War Risk Insurance, Treasury Department.

In order that the proper disposition of the remains may be made, and that such disposition be directed by the person entitled to do so, the War Department will recognize the right to direct the disposition of remains in the following order:

In the case of an unmarried man—

- (1) Father; (2) mother, if father is dead; (3) brother, if both parents are dead; (4) sister, if both parents are dead and there are no brothers.

In the case of a married man—

- (1) Wife; (2) parents or children and other relatives in order set forth above.

It is desired that the information indicated on the inclosed card be furnished concerning the person named thereon at the earliest practicable date. If the card is received by some one not authorized to direct the disposition to be made of the remains, please deliver this circular and the card to the person who is entitled to do so.

The Department is unable to state when it will be possible to begin the removal of the remains of the soldiers, but the information requested is being collected at this time in order that there may be no delay when the time comes for such removal.

In returning the card please use the inclosed addressed penalty envelope, which requires no postage

Very respectfully,

P. C. HARRIS,
The Adjutant General.
