Dear Madam:

Receipt is acknowledged of the questionnaire forwarded you for completion in connection with the pilgrimages of mothers and widows to the cemeteries of Europe.

It is deeply regretted that you are unable to visit the grave of your son, the late Private George J. Buechler, during the summer of 1932.

It is believed, however, that you should feel no hesitancy in making the journey unaccompanied by some member of your family, as you would no doubt make many friends and find congenial companionship among the many women making the trip. Properly qualified personnel will be provided to care for the comfort and needs of the women making the journey and medical attention and nurses will be available from the time the mothers and widows arrive in New York City until they return thereto. Arrangements have been made with the railroad companies that special attention be given pilgrims enroute to New York. Should you make the pilgrimage you are assured that everything possible will be done for your comfort and welfare.

Your name has been placed upon the list of mothers and widows who are eligible to visit the cemeteries of Europe during the summer of 1933, and you will be communicated with when the pilgrimages are being arranged for that year. Should you decide to make the journey in 1932, however, it is requested that this office be notified.

There is no provision of law which would permit the Government to make a money allowance to any mother or widow who is unable or does not desire to make the pilgrimage.

For The Quartermaster General.

Buechler, George J. (Som) M

October 12, 1931

Mrs. Katherine Buechler,  
403 E. 55th St.,  
New York, New York.

Dear Madam:

Receipt is acknowledged of the questionnaire forwarded you for completion in connection with the pilgrimages of mothers and widows to the cemeteries of Europe.

It is deeply regretted that you are unable to visit the grave of your son, the late Private George J. Buechler, during the summer of 1932.

It is believed, however, that you should feel no hesitancy in making the journey unaccompanied by some member of your family, as you would no doubt make many friends and find congenial companionship among the many women making the trip. Properly qualified personnel will be provided to care for the comfort and needs of the women making the journey and medical attention and nurses will be available from the time the mothers and widows arrive in New York City until they return thereto. Arrangements have been made with the railroad companies that special attention be given pilgrims enroute to New York. Should you make the pilgrimage you are assured that everything possible will be done for your comfort and welfare.

Your name has been placed upon the list of mothers and widows who are eligible to visit the cemeteries of Europe during the summer of 1933, and you will be communicated with when the pilgrimages are being arranged for that year. Should you decide to make the journey in 1932, however, it is requested that this office be notified.

There is no provision of law which would permit the Government to make a money allowance to any mother or widow who is unable or does not desire to make the pilgrimage.

For The Quartermaster General.

Very truly yours,

A. D. HUGHES,  
Captain, Q.M. Corps,  
Assistant.

Gentlemen:

I am writing on behalf of an employee of this company, Mrs. Tillie Buechler, whose family received a notice recently that her husband's body was at Hoboken unclaimed. Inquiry made through the Red Cross proved that this was not so; but to prevent anything of the kind heppening, she wishes me to inform you that your files contain a questionnaire filled out by her, in which she requested that her husband's body should remain in France. Please refer to your files, and take whatever steps are necessary to prevent the body from being sent to this country.
