Dear Sir:

This office is making an earnest endeavor to communicate with all women who may be eligible to make a pilgrimage to the cemeteries of Europe under the provisions of the Act of March 2, 1929, as amended May 15, 1930.

The records indicate that Mrs. Mary Branick, Renville, Minnesota, stood in loco parentis to the late Private Edward Michael Burdick. However, communications forwarded her in an effort to determine her eligibility to make a pilgrimage have remained unanswered. It will therefore be appreciated if you will furnish the following information, in order that a decision relative to Mrs. Branick's eligibility to visit the grave of the late Private Burdick may be reached.

1. Did Mrs. Branick provide the late Private Burdick with food, shelter and clothing for five years prior to his becoming eighteen years of age?
2. Did your father contribute to the support of Private Burdick?

A self-addressed envelope which requires no postage is enclosed for your convenience in replying.

The records of this office indicate that you may be eligible to make the pilgrimage to the grave of the late Private Edward Michael Burdick under the provisions of the Act of March 2, 1929, as amended May 15, 1930.

The only provision of the law under which anyone other than the mother or widow could be considered for this privilege is contained in section 4 (e) of the Act, which was amended May 15, 1930, to read in part as follows: " - or any woman who stood in loco parentis to the deceased member of the military or naval forces for a period of not less than five years at any time prior to the soldier, sailor, or marine becoming eighteen years of age".

In order to satisfy the legal requirements, it will be necessary for you to furnish us proof of the relationship, in loco parentis, the affidavits of at least two persons not related to you.

In the event you believe yourself eligible, under this provision of the law, to make the pilgrimage, it is requested that the enclosed forms be completed and returned to this office in order that your eligibility under the Act may be determined. Dear Madam:

It is regretted that the form letter from this office dated August 9, 1929, completed by you, could not have been acknowledged before this. However, the voluminous amount of correspondence incident to the Act of March 2, 1929, and the fact that an investigation must be made in each case, has caused the delay.

It is assumed that you desire to make the pilgrimage to the grave of the late Private Edward Michael Burdick, 18th Company, 5th Marines, in the Suresnes American Cemetery in France, under the provisions of Section 4 (a) of the Act, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces for the year prior to the commencement of his service in such forces".

In order to satisfy the legal requirements, it will be necessary for you to furnish as proof of the relationship (in loco parentis), the affidavits of at least two persons not related to you.

It is requested that the enclosed form be completed and returned to this office in order that your eligibility under the Act may be determined. Under Paragraph 1 (c) and 1 (d), sufficient information should be included to permit an intelligible decision as to eligibility.

In connection with your daughter's desire to make the pilgrimage in your place, please be advised that the Act of March 2, 1929, provides only for the mothers and widows of deceased service men interred in European cemeteries to make the pilgrimage at the expense of the Government. There is no authority in the Act which permits of the transfer of the privilege to any other person.
