Sir: -

Answering your inquiry of
June 29 re Om 293 A-6
The late Corporal Vincent Byrne
Co. A of 315 Infantry is not survived
by either mother or widow. His
sister am his sole survivor.

To me the loss of my brother
has been two-fold. I have

suffered and continue to suffer the bitter pang of being left alone in the world as well as his financial support which I had when he entered the army.

An invitation to the pilgrimage you mention could not be appreciated by any mother or widow any more than it would be by me. But as Congress has never made any provision for sisters of deceased soldiers by way of allowances or other privileges that have been granted mothers and widows I cannot hope to be included now.

Thanking you for your inquiry,
I am

Yours very truly
(Miss) Anna C. Byrne.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Miss Anna C. Byrne,

Dear Madam:

The Quartermaster General desires that receipt be acknowledged of your letter of September 12th, 1925.

In accordance with your wishes, instructions have this day been submitted to the Chief, American Graves Registration Service, Q.M.C., in Europe, to permanently bury the remains of your brother, the late Corporal Vincent Byrne, in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France.

There is no appropriation by the Government for photographing the permanent graves of our soldier dead in Europe. However, the European Office has been making some photographs using supplies left by the Red Cross when they were engaged in photographing the original graves of the soldiers. Instructions have been given that office to make a photograph of the grave of your brother, if found practicable, and forward same to this office. When received it will be transmitted to you.

This office is indeed gratified that you have confided the remains of your brother to his country's care. He will rest, forever, in the beautiful Meuse-Argonne American Cemetery, with thousands of his comrades, whose graves will be properly and tenderly cared for by this Government.

Very truly yours,

D.K. MITCHELL,

Dear Sir:-

Replying to your "QM 293 A-C" September 4.

The information regarding the body of my
Brother Corporal Vincent Byrne is greatly appreciated.

It has always been my desire to have his
body here where I might visit his grave, but such a
period of time has elapsed since his death that it does
not seem quite right to bring his body such a distance.

Knowing the beauty of the American Cemetery
and the care and attention given the graves I shall feel
perfectly content and happy if you will place my Brother's
body there, knowing his grave will be taken care of long
after I, his only survivor am here.

Will you please send me a picture of his grave
and full details as to location date of burial etc.

Sincerely thanking you for your kindness.

Respectfully,

(Miss) Anna C. Byrne

Dear Madam:

The Quartermaster General is pleased to inform you that the search for the remains of your brother, the late Corporal Vincent Byrne, Company A, 315th Infantry, has been successful. His remains have been recovered from an isolated grave in the Commune Nantillois, Meuse, France, and are now in the mortuary in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France, awaiting instructions from this office as to their final disposition.

There is on file your request for the return of the body to this country for private interment. As some time has elapsed since you made the request, this letter is to inquire whether it is still your desire that this action be taken.

Please understand, it is not the policy of the Department to attempt to influence relatives as to the disposition of their dead, but to endeavor to carry out their wishes so far as is humanly possible. On the other hand this office feels honored should the relatives entrust the remains to its care, and intends to administer that trust in a manner befitting the service the soldier rendered his country and humanity. If agreeable to you, this office will be glad to receive your permission for burial of the remains of your brother in the beautiful Meuse-Argonne American Cemetery, where repose the bodies of thousands of his comrades, whose graves will be properly and tenderly cared for by a grateful Nation.

As action is suspended pending your decision, it is requested that you kindly reply as soon as possible, using the inclosed envelope which requires no postage.

It would appear as if this soldier had been wounded - probably slightly Sept 28th or 29th, went back toward the 1st Aid station-- was again wounded or killed in action- later found by the 315th Engrs. and buried near Madeleine Ferme, not in the American Cty there but near the Cty-- but which per Chaplains reports-- as several Chaplains report burials in Amer. About 300 men were buried at Madeleine Farm; I officiated at the burial of many men outside of my regiment. Cpl. Byrne was one of these.

Sir:-

Your letter of March 20th received. I very much appreciate the interest you have taken, and the sympathy you express.

You say according to your records and those of the Central Record Office my brother was wounded October 29th and died the same day.

He may have died October 29th but I have every reason to believe your records are not correct about the day he was wounded. Lieutenant Carpenter wrote me that Corporal Vincent Byrne was slightly wounded September 29th. This letter was dated December 16, 1918 and up till that time Vincent Byrne had not returned to Company "A". Lieutenant Carpenter was then commanding Company "A" and would surely have the correct report. However Chaplain Siceloff whom you have asked for details may receive correct report. Thanking you for your trouble in forwarding request to Chaplain Siceloff, I am

Very truly yours,

P.S. According to boys who have come back who were members of Company "A" whose names I read in the newspaper they remember hearing that my brother was wounded ~~on~~ September 29th in the arm and was able to walk back to the first aid station. Two of them knew him well but were in different platoons and did not see him, but they are sure this is what was told them after the first battle in which the 79th Division was engaged. So you see I have every reason to believe he died in a hospital, so what I must find out is what his condition was during that month and in what hospital he died.

is buried in the Madeline Farm

~~The~~ The only information I can

my Brother died of wounds October
29th.

If the war dept have a record of his death and you have a record of his burial through what channel can I find out where he died. I would think you would have a record of this also. He must have died in a hospital as he was wounded Sept. 29th and died October twenty ninth. If he was buried he must have been taken from some place to be buried. This I would think should be on record.

If you can not give me
