Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

WASHINGTON

Dec. 4, 1922.

Mr. James Cain,

Philadelphia, Pa.

Dear Sir:

The Quartermaster General desires you to be advised, that the investigation which has been conducted with a view towards locating the grave containing the remains of your late son, Sergeant John V. Cain, Company I, 109th Infantry, has been successfully concluded and the records show the body has been concentrated into Grave 19, Row 36, Block C, Oise-Aisne American Cemetery at Seringes-et-Nesles, Department of Aisne, France.

There is on file a request made by the aunt of the deceased, Miss Sarah Burk, 3137 Aramingo Ave., Philadelphia, Pa., to the effect that she wishes the remains returned to her for private interment. As you are the legal next of kin to Sergeant Cain, according to the records of this office, it is requested that you advise this office as soon as possible whether you concur in the above action. Should you not desire the body returned to this country for private interment or burial in a National Cemetery, it will remain permanently in the above location, where you are assured the grave will be marked by an appropriate headstone and will be maintained in a manner befitting the supreme sacrifice made by this soldier.

While it is not the policy of the Department to attempt to influence relatives in their decision, it is always gratified to receive their consent to leaving the graves of their soldier dead in its care. The Department is thereby enabled to fittingly honor these soldiers who gave their lives for the Nation, and this solemn duty will continue to be performed so long as this Government endures.
