Dear Sir: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Dear Sir:

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late son, Private Domenick Colleo, Company E, 54th Infantry, United States Army, to remain buried in France, in the care and custody of the United States, or delivered to you for reburial in Italy, or returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. (COLLEO, Domenico)

Mr. Antonio Calleo,  
Venafio,  
Province of Campobasso,  
Italy.

Dear Sir:

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late son, Private Domenico Colleo, Company E, 54th Infantry, United States Army, to remain buried in France, in the care and custody of the United States, or delivered to you for reburial in Italy, or returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. This Government bears all expense in connection with the transfer of the body.

Should you desire to have the body removed to Italy for reburial such transfer will be subject to the health regulations and sanitation laws of France and Italy, and any intervening countries through which the body may have to pass en route, and should the operation of such instrumentalities prevent the removal of the body in the manner desired, it will remain in the care and custody of the American Graves Registration Service in Europe and will be cared for under the supervision of this Government.

Envelope for use in making reply is enclosed herewith.

The Department wishes to convey to you its assurance of sympathy in your bereavement.

By authority of the Quartermaster General:

CHARLES C. PIERCE,

WAR DEPARTMENT,

THE ADJUTANT GENERAL'S OFFICE,

WASHINGTON.

MAR 29 1919

Mr. Bonnie Bueo,  
530 Fitzwater St.,  
Philadelphia, Pa.

Sir:

The War Department desires to ascertain the wishes of the families of officers, enlisted men, and civilian employees regarding the permanent disposition of the bodies of those who have died overseas.

The original plan of the Department was to deliver the body in every case at the home address of the deceased to the person legally entitled to dispose of the remains. A desire has been expressed, however, in numerous instances to have the body remain abroad, and General Pershing is likely soon to enter into negotiations with the French and Allied Governments with the view of establishing permanent cemeteries for members of the American Expeditionary Forces. Marshal Petain in a most courteous letter has informed General Pershing that "France would be happy and proud to retain the bodies of the American victims who have fallen upon her soil."

A bill is now before Congress for the establishment of "Fields of Honor" abroad, which will insure future care by the United States Government as national cemeteries are now cared for. Burials have been made heretofore in cemeteries of the Allied nations or at or near the battle field in land set apart for this purpose as a cemetery, and religious services in accordance with the rites of the Protestant, Catholic, or Hebrew faith have been held at the grave.

In case the remains of a deceased soldier are returned to the United States they will be interred either at the former home of the deceased or at a national cemetery, according to the wishes of the one authorized to direct the disposition of the remains, and all expenses, including transportation, casket, shipping case, flag, and the preparation of the remains for shipment, will be paid by the United States. Hire of a hearse and other burial expenses incurred at the home of the deceased may be paid, on application by the relatives, by the Bureau of War Risk Insurance, Treasury Department.

In order that the proper disposition of the remains may be made, and that such disposition be directed by the person entitled to do so, the War Department will recognize the right to direct the disposition of remains in the following order:

In the case of an unmarried man—

- (1) Father; (2) mother, if father is dead; (3) brother, if both parents are dead; (4) sister, if both parents are dead and there are no brothers.

In the case of a married man—

- (1) Wife; (2) parents or children and other relatives in order set forth above.

It is desired that the information indicated on the inclosed card be furnished concerning the person named thereon at the earliest practicable date. If the card is received by some one not authorized to direct the disposition to be made of the remains, please deliver this circular and the card to the person who is entitled to do so.

The Department is unable to state when it will be possible to begin the removal of the remains of the soldiers, but the information requested is being collected at this time in order that there may be no delay when the time comes for such removal.

In returning the card please use the inclosed addressed penalty envelope, which requires no postage.

Very respectfully,

P. C. HARRIS,  
The Adjutant General.
