Mr. Lorenzo Calligaro,  
Lozzo Cadore,  
Provincia Belluno, Italy.

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of Private 140 Joseph Calligaro, Company G, 16th Infantry, is Grave 1, Row 22, Block E, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon (Meuse), France.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, division, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

H. J. Conner,  
Assistant.

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

**MISSING TEETH**.....All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :

**CROWNED TEETH**.....Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :

**BRIDGE WORK**.....Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge), thus :

**FILLINGS**.....Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :

**CARIES (CAVITIES)**.....Outline location and size of cavity, shade in thus :

**DENTURES (PLATES)**.....Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp."

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.

U. S. Chief Graves  
Registration Service,  
Washington, D. C.

Sir:

Re First Class Private Joseph Calligaro, 43191 Co. C, 16th Inf.,  
A.E.F.

This soldier was wounded in action and the date and cause of  
death to be determined.

The father of this deceased soldier, Lorenzo Calligaro resides  
in Italy and has continually asked me to obtain a death certificate  
from your department, which the said deceased soldier's father would  
like to use towards the Italian Government showing that his son died  
while in service in the United States Army.

Mr. Lorenzo Calligaro, father of the deceased soldier now resides  
in Iozzo Cadore, Provincia Belluno, Italy.

In the last letter that I sent to The Adjutant General's office,  
I stated how Mr. Calligaro would like the death certificate written  
so that it would be recognized by the Government of Italy. The Adjutant  
General's reply referred me to you and I ask you to try to obtain that  
letter which was written by me about the first of February.

Your valuable reply will be of great aid to the deceased soldier's  
father, who is anxious for the death certificate of his son.

Respectfully yours,

(Signed) JOSEPH GENTILE. -

IN REPLY  
REFER TO

201 (Calligaro, Joseph) WW

February 9, 1920.

From: The Adjutant General of the Army.

To: The Quartermaster General of the Army, Washington, D.C.

Subject: Notification of Death.

1. Upon investigation it has been ascertained by the War Department that Private First Class Joseph Calligaro, #43,191, Company G, 16th Infantry, who was previously reported in Casualty Cablegram 560 as buried, date and cause of death to be determined, was killed in action October 4, 1918. A notation to that effect has been placed upon the official records.

2. It appears from the records that the deceased was enlisted April 19, 1917 at Jefferson Barracks, Mo., and gave the name of the person to be notified in case of emergency as Mr. Lawrence Calligaro, (father) 126 Luxmar St., Ironwood, Mich.

By order of the Secretary of War:
