Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel McAlpin, Broadway and 34th Street, New York City.

All mail intended to reach you between June 4th, 1931, the day you sail from the United States, and June 26th, 1931, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,  
c/o American Pilgrimage,  
146 Avenue des Champs Elysees,  
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

From LIAISON REPORT PARTY "F" WEST 1951

June 29 - Mrs. Eva Mattox persistently seasick. 7-19

July 1st - Mrs. George Seibold asked me to call a meeting of the Party in social hall for purposes of organizing Gold Star Mothers. I refused on the ground that we could not appear to sponsor any particular organization. For another reason, Mrs. Seibold has displeased many members of the Party because foreign and colored mothers are said to be excluded from her organization.

Mrs. Seibold and Mrs. Ida Washburn displeased because name plates for their sons in the Chapels not completed (Unlocated) Will probably complain to Washington in effort to get a second trip. (See Report )

Mrs. Washburne also dissatisfied over alleged ignorance of civilian guide. Other members of party say no ground for complaint. Mrs. Washburne said she had suffered two nervous breakdowns previous to pilgrimage. (See Report)

Argument over ventilation between Mrs. K. Boyland and Mrs. Julia E. Calvert. Mrs. Calvert also accused Mrs. Boyland of drinking too much. Mrs. Calvert was moved to another stateroom where she annoyed her new roommates. ( See report)

July 3 - Mrs. Elizabeth Meyer reported loss of a pair of shoes which she neglected to pack on day of her arrival at Cherbourg S.S. Republic June 13, 1951 - her own neglect.

Dear Mrs. Calvert:

The letter of recent date addressed to the Officer in Charge, Mothers and Widows Pilgrimage in New York, which you and other pilgrims sent in appreciation of the journey you recently made to the cemeteries of Europe, has been forwarded to me for reply.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and it would seem from the generous expressions contained in the letter that the effort has not been in vain.

It is gratifying to know that the mothers and widows were pleased with the arrangements made for their welfare throughout the trip and that the personnel as a whole rendered such satisfactory and commendable service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant time. I feel however that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

You may rest assured that the American cemeteries in Europe will be forever maintained in the fine condition in which you found them, as it will continue to be the constant endeavor of the Quartermaster Corps to make them fitting resting places for the heroes buried there.

Sincerely yours,

J. L. DeWITT,

Receipt is acknowledged of your letter of recent date relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

Notation has been made of your inability to make the pilgrimage to Europe, sailing on the SS HARDING May 14, 1930, and in this connection it would be appreciated if you would advise this office the approximate date you believe you will be able to go, so that every effort may be made to comply with your wishes with respect to the choice of a later date.

Please return to this office the check sent you to cover your subsistence on the trip from Los Angeles to New York in order that proper record may be made. You should keep the badge forwarded to you, however, as another will not be sent and it will be important that you have this identification emblem in your possession when the time comes for you to make the pilgrimage.

I have been looking forward to going to France on the Pilgrimage to visit my sons grave and to see that country ever since I received the invitation to go May 14<sup>th</sup> 1930. Now circumstances over which I have no control seem to make it almost impossible to go at that date. It is the pleasantest time of the year too to go. Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

For The Quartermaster General,

Very truly yours,

Mr. Harris,

Dear Sir--

I will be glad to take the Pilgrimage which the U.S. has so kindly planned for us. Harry Calvert was not married so he has no widow. The American Legion planted a beautiful redwood tree for my son in Centinela Park here in the City. And they will put a cross and a name plate on it for him. I hope I can go with the first unit over as I am getting older and might not be able to go on the water trips. Very truly,  
Julia E. Calvert.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late Private Harry L. Calvert, Company I, 119th Infantry, whose remains are now interred in the Some American Cemetery, Bony, Aisne, France.

Will you please advise this office whether or not he is survived by a widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

In the event your son was survived by a widow who has since re-married it is requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Dear Mrs. Calvert:

The letter of recent date addressed to the Officer in Charge, Mothers and Widows Pilgrimage in New York, which you and other pilgrims sent in appreciation of the journey you recently made to the cemeteries of Europe, has been forwarded to me for reply.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and it would seem from the generous expressions contained in the letter that the effort has not been in vain.

It is gratifying to know that the mothers and widows were pleased with the arrangements made for their welfare throughout the trip and that the personnel as a whole rendered such satisfactory and commendable service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant time. I feel however that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

You may rest assured that the American cemeteries in Europe will be forever maintained in the fine condition in which you found them, as it will continue to be the constant endeavor of the Quartermaster Corps to make them fitting resting places for the heroes buried there.

Sincerely yours,

J. L. DeWITT,

March 21, 1930

Mrs. Julia E. Calvert

Inglewood, Calif.

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,  
Captain, Q. M. Corps,

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. Dear Madam:

Receipt is acknowledged of your letter of March 10, 1930, inquiring as to whether your daughter could accompany you on the pilgrimage which you desire to make to the grave of your son under the provisions of the Act of March 2, 1929.

In this connection you are advised reservations may be made for your daughter to sail on the same steamship with you. However, no arrangements can be made for her to occupy the same cabin with you inasmuch as the reservations have been made for the number of cabins required for the use of the mothers and widows making the pilgrimage.

Neither can arrangements be made for your daughter to accompany you to the cemetery inasmuch as the reservations made for the mothers and widows tax to the utmost the accommodations available in the small towns in the vicinity of the cemetery.

In view of the foregoing in the event you desire to have your daughter accompany you, the matter should be taken up with the United States Lines with the view of obtaining accommodations for your daughter on the SS HARDING on which you are scheduled to sail on May 14th.

Adjutant General—  
Dear Sir—

We have been thinking over the matter of having our son's body brought home for burial and at first I said I surely wanted it brought home. But have talked with others and have decided that it would be better to let his bones rest in the place where he gave his life. It can do us

like his name on a  
sort of tablet some  
time if we can.

If our government

they might spend in

Mrs. Julia Calvert,

Inglewood, Calif.

Dear Madam:

I beg leave to acknowledge your letter of April 13th, returning to this office the card previously sent you for an expression of your wishes with respect to the disposition of the body of your son, Harry L. Calvert, formerly Private, Company I, 119th Infantry, and to advise you that the card has been filed for reference when the work of the transfer of the bodies to this country has begun.

It is desired to express to you the deep sympathy of the Department on account of the great loss you have sustained, and to commend you for the contribution you have made to the cause for which this soldier gave his life.

With respect to your son, Arthur Calvert mentioned in your letter, you are advised that this office is unable to advise you as to his present whereabouts. The latest information shows that he was sent to Fort Mc Dowell, California in October 1917 for discharge. It is suggested, as a possibility, only, that the Commanding Officer at Fort Mc Dowell may have a record showing what your son gave as his future address at the time of his discharge, thus indicating where he intended to go after his release from the service.

Very respectfully,
