MELIORANDUM

WAR DEPARTMENT
Quartermaster General's Office.

Information has reached this office that applications are being made for headstones without first ascertaining whether the relatives of the soldiers desire a Government headstone, or whether they intend to erect private monuments at the graves, with the result that in a number of instances headstones have been furnished and after receipt at destination it is found that they are not wanted, private monuments having been erected by the relatives or friends.

In order to avoid this expense to the Government, you are requested to ascertain, if practicable, whether or not the relatives of each of the soldiers included in this list desires a headstone and does not intend to erect a private monument at the grave.

Also state on the reverse side of this slip whether the rules of the cemetery in which the decedent is buried permit the erection of Government headstones.

Please return this slip with application.

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.
