Mr. Isaiah Campbell,

Tipton, Ind.

Dear Sir:

Receipt is acknowledged of the form letter of August 9, 1929, from this office, completed by you, relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe.

It is noted you request the privilege of making the pilgrimage to the grave of your son, the late John H. Campbell, for Mrs. Pearl Campbell McFarland, sister of the deceased soldier, under the provisions of Section 4 (a) of the Act of March 2, 1929, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the phrase "who stood in loco parentis", this phrase has been given its usually accepted legal meaning and it has been held that:

- (a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.
- (b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.
- (c) In order to receive the benefits of the Act in question, she must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private, first class, John H. Campbell was 30 years of age when he enlisted in the Army for service during the World War. As there is a positive showing that the soldier in question was not incapacitated either mentally or physically at the time of his entry into the military service and that he was more than 21 years of age when he enlisted, it is not possible for his sister to have stood in loco parentis to him for the year immediately preceding the commencement of his service in the Army. Accordingly, it does not appear that the relationship of mother within the meaning of the Act has been established. It is therefore regretted to advise you that Mrs. McFarland would not be eligible to make the pilgrimage.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,  
Captain, Q. M. Corps,

Dear Sir:

The Quartermaster General desires you to be informed that the permanent grave of Private, First Class, John H. Campbell, Company M, 12th Infantry, is Grave 7, Row 36, Block E, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon (Meuse), France.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

You are assured in effecting removal of the remains, the utmost care and reverence were exercised and more than willingly accorded by those who performed this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

H. H. CHEAL  
Assistant.

**INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A**

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".  
 (b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.
6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspid (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

**MISSING TEETH**.....All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:

**CROWNED TEETH**.....Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:

**BRIDGE WORK**.....Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge), thus:

**FILLINGS**.....Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:

**CARIES (CAVITIES)**.....Outline location and size of cavity, shade in thus:

**DENTURES (PLATES)**.....Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp."

7. Show name of person supervising the disinterment and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.
