WAR DEPARTMENT  
OFFICE OF THE QUARTERMASTER GENERAL  
WASHINGTON

IN REPLY REFER TO QM 293 A-M  
Campbell, Lindsey F. (OA)\*

July 13, 1932

Mrs. Jessie F. Campbell,  
Box 81,  
Clarkston, Mich.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

  
CHAS. W. DIETZ,

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Very truly yours,

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late 2nd Lt. Lindsey F. Campbell, Bat. E. 18th F. A. whose remains are now interred in the Oise-Aisne American Cemetery, Seringes-et-Nesles, Aisne, France.

Will you please advise this office whether or not he is survived by a widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

In the event your son was survived by a widow who has since re-married it is requested that a statement to that effect be made.

Mrs. Jessie F. Campbell,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Dear Madam:

Requests for stop-overs on return from the pilgrimage to the American cemeteries in Europe are being received by this office, in some cases, too late to take action.

Transportation arrangements for the round-trip are made a month before departure and requests for stop-overs on return must be in this office at that time.

Stop-overs can not be allowed on the trip to New York or in Europe, but may be allowed at any point on return from New York provided there is no additional cost or, if there is, that it is paid in advance by the pilgrim.

If you desire stop-overs at any point on return, please advise this office AT ONCE as to the cities where you desire to stop and we will be glad to arrange accordingly, or advise you if there is any additional cost to be paid by you. Send your request direct to this office and do NOT include it with your passport application.

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,  
Captain, Q. M. Corps,  
Assistant.

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Your letter of November 20, 1918, requesting that the remains of your son, Lieutenant Lindsey F. Campbell, be allowed to lie with those of his comrades at Coleau, France, has been received.

You are advised that this request is approved by the Secretary of War and the Commanding General of the American Expeditionary Forces, France, will be so notified.

It is the custom of the service for the Government to place appropriate stones to mark the resting place of all officers and soldiers. In case you desire something different, I have no doubt it will be approved upon application.

I suggest you write to the Commanding Officer, Battery E, 18th Field Artillery, American Expeditionary Forces, France, who should be able to furnish you such information as you desire with regard to the special duty upon which your son was engaged when killed.

Very truly yours,

SC/ACW

Adjutant General.

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".  
(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

### MISSING TEETH

All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:

7. Show name of person supervising the disinterment, and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.
