Mr. Nicolo Campobassi,
Pescosansonesco, Teramo, Italy.

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of the late Private Panfilo Campobassi, Company E, 147th Infantry, is Grave 8, Row 25, Block A, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

MAILED

Very truly yours,

MAR 9 1923

CAMBROSSI, Pompilio Pvt. #1525811.

On the 28th of Sept. as we were advancing about 600 yards north of Ivory House Argonne offensive, I was lying about 15 or 20 feet behind Cambrossi. He was lying in a group of men and a shell came over hitting in their midst. We soon advanced further, but retired a few hours later. I hadn't missed Cambrossi but when we retired, I looked at the identification tag of a man whose face was unrecognizable and lying in the same place I had seen Cambrossi. I looked at the man's dog tag and found it to be him. I don't know when nor where he was buried.
