QM 293 A-C

March 7, 1924

Rev. H.D. Canady,
29 Cannon Ave.,
South Atlanta, Ga.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

My Dear Sir, You will find by inclosed Card that we have decided to let our boy, who died such a heroic death, rest in France. To us, I mean the family, it will always be a sad Commentary to how near he was to the end of the war when he was killed Nov. 10th 1918. And yet when we think that fills the grave a Hero there is consolation - For he was killed leading his men against Fort. Metz, having been ordered to take "Ponta Mouson".

We would like for you ^{to} send us the location of his burial, name of the Cemetery - in France - and number of his grave - We purpose to visit if life last and place a flower there; some day - I am sure our great Government will spare no pains in seeing that the graves of the American Soldiers are well cared for - Please let me hear -
