### INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial, and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No."  
  
(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

<p><b>MISSING TEETH</b> ..... All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:</p>	 <p>TOOTH MISSING      TOOTH MISSING</p>

<p><b>FILLINGS</b> ..... Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:</p>	 <p>SILVER FILLING      GOLD FILLING GOLD FILLING      GOLD FILLING</p>
<p><b>CARIES (CAVITIES)</b> ..... Outline location and size of cavity, shade in thus:</p>	 <p>CAVITY DECAYED      DECAYED DECAYED</p>

**DENTURES (PLATES)** ..... Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp."

7. Show name of person supervising the disinterment and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.

Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the hotel McAlpin, 34th Street and Broadway, New York City.

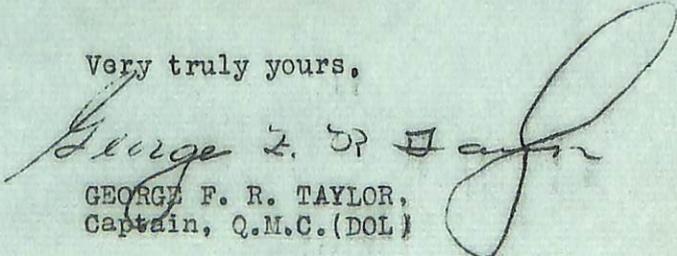

All mail intended to reach you between June 28th, 1932, the day you sail from the United States, and July 21st, 1932, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,  
c/o American Pilgrimage,

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.
