Dear Madam:

Upon your arrival in New York City you will be met at the railroad station by an Army Officer who will engage porter service to take care of your baggage and escort you to the hotel. During your sojourn here before sailing for Europe and upon your return from Europe you will stop at the Hotel McAlpin, 34th Street and Broadway, New York City.

The two tags and four identification pasters accompanying this communication are intended to protect your baggage while in transit. One tag should be attached to the handle of each piece of your baggage and a paster placed on each end of each piece of your baggage before leaving your home. Your baggage will be safer and also more readily available to you after your arrival in New York if it is placed with you on the train.

All mail intended to reach you between July 12th, 1933, the day you sail from the United States, and August 3rd, 1933, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 20 Rue Molitor, Paris (16), France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
20 Rue Molitor,
Paris (16), France.

The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your Pullman accommodations will be made with the railroads in advance by this office. This will require you to remain in New York at the hotel over night as a guest of the United States Government.

Information relative to the cemeteries in Europe is enclosed herewith.

Very truly yours,

GEORGE F. R. TAYLOR,
Captain, G. M. C.

Dear Mrs. Cardona:

I have the letter of August 2nd wherein you and the other pilgrims who sailed on July 12th to visit the St. Mihiel American Cemetery in France express your appreciation for the pilgrimage.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army and the nurses rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows themselves.

I am particularly pleased with your complimentary remarks regarding the St. Mihiel American Cemetery. You are assured it will be perpetually maintained in the same fine condition in which you found it, as it will be the constant effort of the Government to make these cemeteries fitting resting places for the heroes buried there.

With sincere appreciation of your kind remarks regarding the conduct of the pilgrimage, I am,

Very truly yours,

J. L. DeWITT,

OFFICE OF THE QUARTERMASTER GENERAL

Mrs. Florida Grace Cardona,
R. #3, Box 54,
Ashland, Va.

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space _____, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here _____. Use the enclosed envelope, which requires no postage, and return this sheet.

Dear Mrs. Cardona:

I have the letter of August 2nd wherein you and the other pilgrims who sailed on July 12th to visit the St. Mihiel American Cemetery in France express your appreciation for the pilgrimage.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army and the nurses rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows themselves.

I am particularly pleased with your complimentary remarks regarding the St. Mihiel American Cemetery. You are assured it will be perpetually maintained in the same fine condition in which you found it, as it will be the constant effort of the Government to make these cemeteries fitting resting places for the heroes buried there.

With sincere appreciation of your kind remarks regarding the conduct of the pilgrimage, I am,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. March 29, 1930

Mrs. Florida Grace Cardona,
Route #3, Box #54,
Ashland, Virginia.
Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

Disposition of remains.

1. The records of this office show that you have requested that the body of your husband, Private Albert M. Cardona, Company B, 318th Infantry, remain permanently interred in the American Cemetery at Allerey, Department of Saone-et-Loire. This cemetery is temporary and must be abandoned at some future date. At that time the body of your husband will be transferred to the nearest permanent French cemetery provided you execute and return the enclosed Release, relieving this Government of the future maintenance of the grave. In this connection your attention is invited to paragraph #9 of the enclosed Cemeterial Division Bulletin No. 10-G-W.

2. It is requested that you immediately advise this office as to your final wishes in the matter of the disposition of this body. If no request to the contrary is received within a reasonable length of time the body will be transferred to a permanent American cemetery.
