Dear Madam:

Receipt is acknowledged of your communication of recent date advising that you are unable to make a pilgrimage to the grave of your son, the late Private Arthur Cardwell, during the summer of 1933.

I am indeed sorry that your health will not permit you to accept this last offer of the Government to visit the grave of your son. The pilgrimage was authorized by Congress in an endeavor to bring a measure of peace and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and it would seem from the many letters received from women who have made the journey that this effort has not been in vain. It is believed that you too would receive great consolation and comfort from the journey.

In the event you later feel able to visit the grave of your son next summer, it is requested you notify this office and arrangements will be made for you. Should you make the trip you are assured that every consideration will be given your physical condition at all times.

For The Quartermaster General.

Very truly yours,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Reference is made to correspondence forwarded you from this office relative to a pilgrimage to the grave of your son, the late Private Arthur Cardwell.

It is noted you stated your health was poor. In this connection you are advised that personnel to care for the comfort and needs of the pilgrims will be provided and doctors and nurses will be available. During the past two years a number of mothers in poor health made the pilgrimage and appear to have benefited by the sea air and the excellent care they received.

Should you reconsider and desire to visit your son's grave this coming summer, it is requested that you so notify this office at the earliest practicable date. You are assured that not only will the pilgrimage be made at the expense of the United States, but everything possible will be provided for your comfort and welfare.

For The Quartermaster General.

Very truly yours,

R.E.SHANNON,

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
