Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel McAlpin, Broadway and 34th Street, New York City.

All mail intended to reach you between August 17th, 1932, the day you sail from the United States, and September 10th, 1932, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Dear Madam:

Reference is made to previous correspondence relative to the pilgrimage to the cemeteries of Europe, authorized by the Act of Congress of March 2, 1929, as amended May 15, 1930. In your reply to the recent inquiry as to whether or not you desired to make a pilgrimage in 1932, you advised you were undecided.

In view of the fact that steamship reservations must be made several months in advance, it is essential that this office know how many mothers and widows must be arranged for. It is possible that you may have made your decision by this time. It is therefore requested that you complete the form below by writing in the space provided, your answers to the questions listed, sign your name, and return this letter in the enclosed envelope which requires no postage. In the event you state you desire to make the journey in 1932 and circumstances prevent your making the pilgrimage, it is requested you notify this office as promptly as possible.

List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.
6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

<p>MISSING TEETH.....All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:</p>	 <p>TOOTH MISSING TOOTH MISSING</p>
<p>CROWNED TEETH.....Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:</p>	 <p>GOLD CROWN PORCELAIN CROWN GOLD CROWN</p>
<p>BRIDGE WORK.....Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge), thus:</p>	 <p>GOLD AND PORCELAIN BRIDGE GOLDBRIDGE</p>
<p>FILLINGS.....Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:</p>	 <p>SILVER FILLING GOLD FILLING GOLD FILLING GOLD FILLING</p>
<p>CARIES (CAVITIES).....Outline location and size of cavity, shade in thus:</p>	 <p>CAVITY DECAYED DECAYED DECAYED</p>

DENTURES (PLATES).....Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp."
