Dear Madam:

Receipt is acknowledged of your letter of August 27, 1929, relative to the pilgrimage authorized by the Act of Congress of March 2, 1929.

With reference to your inquiry as to whether or not you are eligible to make this pilgrimage to your brother's grave in the Brookwood American Cemetery in England, you are advised that the Act above referred to does not contain any provision which will permit of anyone other than the mother or widow making the pilgrimage. The only condition under which you would be eligible would be by qualifying under the provisions of Section 4(a) of the Act above referred to, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces for the year prior to the commencement of his service in such forces".

It has been held that within the meaning of the law a person cannot stand in loco parentis to an adult unless such adult is mentally or physically incapacitated. No man who was mentally or physically incapacitated was accepted for service in the military or naval forces. Inasmuch as your brother, the late Private Phil L. Carleton was an adult at the time of the commencement of his service, his age having been 23 years, 2 months, no person could have stood in loco parentis to him for the year prior to his entry into the service. Therefore, I regret to advise that you are ineligible within the meaning of the law to make this pilgrimage at the expense of the Government.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
