Dear Madam:

Receipt is acknowledged of your letter of May 15, 1929, relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe, and wherein you request that you be furnished a photograph of the grave of your son.

There is no appropriation available for the taking of photographs of graves in the American cemeteries in Europe. When the Red Cross completed its work of photographing the graves in 1920, they left some photographic supplies in the office of the Chief, American Graves Registration Service, Quartermaster Corps, in France. If these are still available it may be possible to obtain a photograph of the grave of your son, the late Private Iver H. Carlson in the Suresnes American Cemetery. Accordingly, the chief of the service has this date been requested to have a photograph made of your son's grave and forward it to this office. If received, I shall be pleased to transmit it to you.

Should your health improve and you desire to make the pilgrimage, be assured the personnel assigned by the War Department to care for the comfort and needs of the mothers and widows on the pilgrimage will give you every attention.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,
