Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American overseas military cemetery is to be maintained by the United States for all time. The graves will be permanently marked by white headstones inscribed with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves, as soon as possible, and without necessity for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Dear Sir:-

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late son, Private Joseph H. Carlson, United States Army, to remain buried in France, in the care and custody of the United States, or delivered to you for reburial in Sweden, or returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. This Government bears all expense in connection with the transfer of the body.

In the event you desire the removal of the body of the late soldier to Sweden, it is suggested that you communicate your wishes direct to the Chief, American Graves Registration Service, C.M.C. in Europe, 8 Avenue d'Iena, Paris, France, who will gladly comply with your request, if found practicable to do so, or advise you should he be forced to deny it, through the operation of health regulations or sanitation laws of countries through which the body may have to pass.
