Mrs. Ella Cary,  
Welcome, Minnesota.

Dear Madam:

Receipt is acknowledged of your letter of October 2, 1930, in which you express your appreciation for the pilgrimage you have made to the grave of your son, the late Private Clifford L. Cary, in the Meuse-Argonne American Cemetery in France.

I am very glad to know that you were pleased with the arrangements made by the Quartermaster Corps to provide for the comfort of the mothers and widows throughout the journey, and that the service rendered by the officers of the Army met with your approval. The satisfaction derived by those who visited the graves of their loved ones in Europe is regarded as full reward for the measures taken and the efforts made to insure for them a pleasant and comfortable trip.

It is regretted that upon your return home you found Mr. Cary ill, and it is hoped by this time he has completely recovered.

With sincere appreciation of the sentiments you expressed concerning the pilgrimage, I am

Sincerely yours,

Mrs. Ella Cary,  
Welcome, Minn.

Dear Madam:

I am pleased to acknowledge receipt of the testimonial expressing your appreciation for the pilgrimage you have recently made to the cemeteries of Europe, which you and the other mothers and widows who sailed on the SS George Washington July 23rd, were so kind as to send me.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army, the nurses, and the personnel connected with the pilgrimage rendered such courteous and efficient service. The Quartermaster Corps, which is charged with the conduct of these pilgrimages, has expended every effort that those making the pilgrimage might have a comfortable and pleasant journey. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

I am indeed pleased to receive such complimentary remarks concerning the care and consideration shown the women making the journey by the officers and personnel connected with the pilgrimage.

Sincerely yours,

Mrs. Ella Cary,  
Welcome, Minn.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

For The Quartermaster General,

January 15, 1930.

Mrs. Ella Cary,  
Welcome,  
Minnesota.

Dear Madam:

Receipt is acknowledged of your letter of recent date relative to the desire of Miss Madie Dickman to accompany you on the pilgrimage to the cemeteries in Europe authorized by the Act of Congress of March 2, 1929.

I appreciate Miss Dickman's desire to accompany you on this pilgrimage, but the Act of March 2, 1929, which authorizes the pilgrimage, contains the stipulation that "No mother or widow shall be entitled, by reason of any payment made by or for her, to be furnished necessities pertaining thereto different in kind from those prescribed by the Secretary of War for the pilgrimage of the particular group". To carry out this provision of the Act, reservations have been made on commercial liners and in hotels in Europe and these reservations take most of the cabin class accommodations aboard steamships and practically all available space in the hotels in Europe outside of Paris. Motor bus transportation has also been arranged for to take the women who make the pilgrimage from Paris to the cemeteries and return. In view of the limited accommodations which are available, it is impracticable to accommodate relatives or friends who desire to accompany women making the pilgrimage in the same staterooms aboard ship or in the same hotels outside of Paris, since the reservations already made will be required for the use of the women who are authorized to make the pilgrimage.

It is of course possible for relatives and friends to secure accommodations on the same steamship and to arrange for accommodations in Europe, and if Miss Dickman desires to do this, she should take the matter up direct with the steamship company when you are notified of the ship on which passage for you has been engaged.

For The Quartermaster General.

Very truly yours,

A. D. HUGHES,

June 29 1929.

Mr. Levi Gary,  
Welcome, Minn.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late Pvt. Clifford L. Cary, Bty. F, 7th FA, whose remains are now interred in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Meuse, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Welcome, Minnesota.

Dear Madam:

Receipt is acknowledged of your letter of October 2, 1930, in which you express your appreciation for the pilgrimage you have made to the grave of your son, the late Private Clifford L. Cary, in the Meuse-Argonne American Cemetery in France.

I am very glad to know that you were pleased with the arrangements made by the Quartermaster Corps to provide for the comfort of the mothers and widows throughout the journey, and that the service rendered by the officers of the Army met with your approval. The satisfaction derived by those who visited the graves of their loved ones in Europe is regarded as full reward for the measures taken and the efforts made to insure for them a pleasant and comfortable trip.

It is regretted that upon your return home you found Mr. Cary ill, and it is hoped by this time he has completely recovered.

With sincere appreciation of the sentiments you expressed concerning the pilgrimage, I am

Sincerely yours,

Dear Madam:

I am pleased to acknowledge receipt of the testimonial expressing your appreciation for the pilgrimage you have recently made to the cemeteries of Europe, which you and the other mothers and widows who sailed on the SS George Washington July 23rd, were so kind as to send me.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army, the nurses, and the personnel connected with the pilgrimage rendered such courteous and efficient service. The Quartermaster Corps, which is charged with the conduct of these pilgrimages, has expended every effort that those making the pilgrimage might have a comfortable and pleasant journey. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

I am indeed pleased to receive such complimentary remarks concerning the care and consideration shown the women making the journey by the officers and personnel connected with the pilgrimage.

Sincerely yours,

Cary, Clifford L. - 1232 M

Mrs. Ella Cary,  
Welcome, Minnesota.

Dear Madam:

Somewhat heavier clothing is required to be worn in Europe than is necessary in the United States, in order to be comfortable. During the summer in Europe it is cool during the day and the nights are frequently chilly. Considerable rain is usually encountered during this time.

In order that you may be comfortable at all times, regardless of the condition of the weather, and may avoid missing any of the sights or any part of the itinerary which has been planned for you, the following suggestions are made.

The clothing which you will take with you should be slightly heavier and warmer than you would normally wear in the United States during the summer and should be strong and durable. It is essential that you take with you the necessary equipment to afford protection from the cold and dampness. Be sure to take at least two pairs of comfortable shoes to provide a change in the event your feet become wet, a pair of rubbers, an umbrella, and a sweater or some warm wrap to be used should the weather become uncomfortably cool. It is very desirable that, in addition to the sweater, you have with you a full length coat of medium weight for general wear.

The shortages of suitable facilities for laundry and the frequency of the moves you will make while in Europe will make it impracticable to secure as frequent service of this nature as may be desired. You should therefore provide yourself with sufficient Underwear, nightgowns, stockings and handkerchiefs to meet your requirements should it be impossible to have your washing done more frequently than once in two weeks.

If you will read carefully the suggestions made above, and comply with them, it will add greatly to your comfort throughout the trip and will assist the Government in carrying out successfully its plans for conducting the pilgrimage. This letter is being sent to every mother and widow who has accepted the invitation sent to her by the Government to visit the grave of her son or husband.

For The Quartermaster General,

Very truly yours,

A. D. HUGHES,

Dear Madam:

Requests for stop-overs on return from the pilgrimage to the American cemeteries in Europe are being received by this office, in some cases, too late to take action.

Transportation arrangements for the round-trip are made a month before departure and requests for stop-overs on return must be in this office at that time.

Stop-overs can not be allowed on the trip to New York or in Europe, but may be allowed at any point on return from New York provided there is no additional cost or, if there is, that it is paid in advance by the pilgrim.

If you desire stop-overs at any point on return, please advise this office AT ONCE as to the cities where you desire to stop and we will be glad to arrange accordingly, or advise you if there is any additional cost to be paid by you. Send your request direct to this office and do NOT include it with your passport application.

Mrs. Ella Cary,  
Welcome, Minn.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

April 4, 1930

Mrs. Ella Gary,  
Welcome,  
Minn.

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,  
Captain, Q. M. Corps,  
Assistant.

Welcome,

Dear Madam:

Receipt is acknowledged of your letter of recent date relative to the desire of Miss Madie Dickman to accompany you on the pilgrimage to the cemeteries in Europe authorized by the Act of Congress of March 2, 1929.

I appreciate Miss Dickman's desire to accompany you on this pilgrimage, but the Act of March 2, 1929, which authorizes the pilgrimage, contains the stipulation that "No mother or widow shall be entitled, by reason of any payment made by or for her, to be furnished necessities pertaining thereto different in kind from those prescribed by the Secretary of War for the pilgrimage of the particular group". To carry out this provision of the Act, reservations have been made on commercial liners and in hotels in Europe and these reservations take most of the cabin class accommodations aboard steamships and practically all available space in the hotels in Europe outside of Paris. Motor bus transportation has also been arranged for to take the women who make the pilgrimage from Paris to the cemeteries and return. In view of the limited accommodations which are available, it is impracticable to accommodate relatives or friends who desire to accompany women making the pilgrimage in the same staterooms aboard ship or in the same hotels outside of Paris, since the reservations already made will be required for the use of the women who are authorized to make the pilgrimage.

It is of course possible for relatives and friends to secure accommodations on the same steamship and to arrange for accommodations in Europe, and if Miss Dickman desires to do this, she should take the matter up direct with the steamship company when you are notified of the ship on which passage for you has been engaged.

For The Quartermaster General.

Dear Sirs

This is an unusual question, but Miss Madie Dickman is or was engaged, to Clifford Cary and she wants to know if she would pay you the cost of the trip, if she could go on the same boat with me if not, she would not care to go she would not ask any other accommodations than the rest of us have  
yours truly.
