Dear Sir:

The records of this office do not indicate that a reply has been received to our communication dated Aug. 13, 1929 making inquiry concerning the name and address of the mother and widow of the deceased service man above named. These addresses are desired with a view to ascertaining the number of mothers and widows who desire to make a pilgrimage to the cemeteries of Europe in which the remains of their sons and husbands are interred.

Will you please fill in the answers to the following questions in the space provided on this letter, and return the letter to this office in the enclosed envelope which requires no postage?

Write answers in space below

1. Is the deceased survived by a widow who has not since remarried? If so, give her complete address:

*he was single.*

2. If he is survived by a mother, stepmother, mother thru adoption, or any other woman who stood in loco parentis to him, according to the terms of Section 4 of the enclosed Act, give her name, address, and relationship in the space opposite.

*mother, deceased.*

3. If survived by a widow or mother does she desire to make the pilgrimage?

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of

Private George Casey, Company H, 109th  
Infantry is Grave 29, Row 28, Block B, Meuse-Argonne American  
Cemetery, Romagne-sous-Montfaucon, Department of Meuse, France.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

H. J. Conner,  
Assistant.

**INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A**

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

<b>MISSING TEETH</b>	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :
