SPECIAL

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space Yes, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here Maria + Catanesye. Use the enclosed envelope, which requires no postage, and return this sheet.

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,

Very truly yours,

CHAS. W. BINEZ,

Mrs. Maria Catanesy,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of two letters of December 22, 1931, from Miss Helen M. Callahan, Service Claims and Information, The American Red Cross, Boston, Mass., furnishing information desired in connection with the Act of Congress of March 2, 1929, under the provisions of which you are eligible to visit the grave of your son, the late Private Domenic Cataneszii, in the Oise-Aisne American Cemetery, France.

Notation is made of the information that you are unable to get about without the aid of an automobile and that it is necessary for you to spend a great deal of time in bed. In this connection you are advised that but little walking will be required in the event you make the pilgrimage and adequate facilities for rest will be provided. Personnel to care for your comfort and needs will be provided, and doctors and nurses will be available from the time of your arrival in New York until your return thereto. Railroad employees will also be instructed to give you special attention on your trips to and from New York. During the past two years a number of mothers in poor health and of advanced age made the pilgrimage and appear to have benefited by the sea air and the excellent care they received.

Under the circumstances it is possible that you would experience no difficulty in making the journey, and should you later decide to visit your son's grave next summer, it is requested that you so notify this office. You are assured that not only will the pilgrimage be made at the expense of the United States, but everything possible will be provided for your comfort and welfare.

Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Receipt is acknowledged of two letters of December 22, 1931, from Miss Helen M. Callahan, Service Claims and Information, The American Red Cross, Boston, Mass., furnishing information desired in connection with the Act of Congress of March 2, 1929, under the provisions of which you are eligible to visit the grave of your son, the late Private Domenic Cataneszii, in the Oise-Aisne American Cemetery, France.

1500

Notation is made of the information that you are unable to get about without the aid of an automobile and that it is necessary for you to spend a great deal of time in bed. In this connection you are advised that but little walking will be required in the event you make the pilgrimage and adequate facilities for rest will be provided. Personnel to care for your comfort and needs will be provided, and doctors and nurses will be available from the time of your arrival in New York until your return thereto. Railroad employees will also be instructed to give you special attention on your trips to and from New York. During the past two years a number of mothers in poor health and of advanced age made the pilgrimage and appear to have benefited by the sea air and the excellent care they received.

Under the circumstances it is possible that you would experience no difficulty in making the journey, and should you later decide to visit your son's grave next summer, it is requested that you so notify this office. You are assured that not only will the pilgrimage be made at the expense of the United States, but everything possible will be provided for your comfort and welfare.

For The Quartermaster General.

Very truly yours,
