Dear Sir:

This office is making every effort to communicate with all women who may be eligible to make the pilgrimage to the cemeteries of Europe, authorized by the Act of Congress of March 2, 1929, as amended.

It is realized that matters of this kind do not come within the province of your duties, but inasmuch as it is desired to obtain information relative to these mothers and widows from thoroughly reliable and dependable sources, your assistance in procuring the address of Mrs. Myrtle Cathey, (colored) widow of the late Private Joe Cathey, is solicited. It is possible Mrs. Cathey is eligible to make a pilgrimage to the grave of her husband in the St. Mihiel American Cemetery in France, however, communications forwarded her to her last known address, i.e., 317 South Gold Street, Charlotte, N.C., have been returned unclaimed. In the event Mrs. Cathey is deceased, or has remarried, this office will appreciate being advised in the premises.

Your cooperation in this matter will be greatly appreciated.

Dear Sir:

This office is making every effort to communicate with all women who may be eligible to make the pilgrimage to the cemeteries of Europe, authorized by the Act of Congress of March 2, 1929, as amended.

It is realized that matters of this kind do not come within the province of your duties, but inasmuch as it is desired to obtain information relative to these mothers and widows from thoroughly reliable and dependable sources, your assistance in procuring the address of Mrs. Myrtle Cathey, (colored) widow of the late Private Joe Cathey, is solicited. It is possible Mrs. Cathey is eligible to make a pilgrimage to the grave of her husband in the St. Mihiel American Cemetery in France, however, communications forwarded her to her last known address, i.e., 317 South Cold Street, Charlotte, N.C., have been returned unclaimed. In the event Mrs. Cathey is deceased, or has remarried, this office will appreciate being advised in the premises.

Your cooperation in this matter will be greatly appreciated.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the cousin of the late Private Joe Cathey, Co. A, 31st Labor Battalion, whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meurthe-et-Moselle, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Dear Madam:

The War Department desires to ascertain the wishes of the families of officers, enlisted men, and civilian employees regarding the permanent disposition of the bodies of those who have died overseas.

The original plan of the Department was to deliver the body in every case at the home address of the deceased to the person legally entitled to dispose of the remains. A desire has been expressed, however, in numerous instances to have the body remain abroad, and General Pershing is likely soon to enter into negotiations with the French and Allied Governments with the view of establishing permanent cemeteries for members of the American Expeditionary Forces. Marshal Petain in a most courteous letter has informed General Pershing that "France would be happy and proud to retain the bodies of the American victims who have fallen upon her soil."

A bill is now before Congress for the establishment of "Fields of Honor" abroad, which will insure future care by the United States Government as national cemeteries are now cared for. Burials have been made heretofore in cemeteries of the Allied nations or at or near the battle field in land set apart for this purpose as a cemetery, and religious services in accordance with the rites of the Protestant, Catholic, or Hebrew faith have been held at the grave.

In case the remains of a deceased soldier are returned to the United States they will be interred either at the former home of the deceased or at a national cemetery, according to the wishes of the one authorized to direct the disposition of the remains, and all expenses, including transportation, casket, shipping case, flag, and the preparation of the remains for shipment, will be paid by the United States. Hire of a hearse and other burial expenses incurred at the home of the deceased may be paid, on application by the relatives, by the Bureau of War Risk Insurance, Treasury Department.

In order that the proper disposition of the remains may be made, and that such disposition be directed by the person entitled to do so, the War Department will recognize the right to direct the disposition of remains in the following order:

In the case of an unmarried man—

- (1) Father; (2) mother, if father is dead; (3) brother, if both parents are dead; (4) sister, if both parents are dead and there are no brothers.

In the case of a married man—

- (1) Wife; (2) parents or children and other relatives in order set forth above.

It is desired that the information indicated on the inclosed card be furnished concerning the person named thereon at the earliest practicable date. If the card is received by some one not authorized to direct the disposition to be made of the remains, please deliver this circular and the card to the person who is entitled to do so.

The Department is unable to state when it will be possible to begin the removal of the remains of the soldiers, but the information requested is being collected at this time in order that there may be no delay when the time comes for such removal.

In returning the card please use the inclosed addressed penalty envelope, which requires no postage.

Very respectfully,

P. C. HARRIS,
The Adjutant General.

Cathey, Joe.
