Mr. Antonio Cea,
Vastogiradi,
Prov. Campobasso,
Italy.

Dear Sir:

The Quartermaster General desires that you be informed that the permanent grave of the late Pvt. Nicola Cea, Co E, 146th Inf., is No. 15, Row 38, Block D, Meuse-Argonne American cemetery, Romagne-sous-Montfaucon, (Meuse) France.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, organization, date of soldier's death and State from which he came. The headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

In effecting removal, the utmost care and reverence were exacted and more than willingly accorded by those performing this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

MAILED

JAN 29 1923

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Questions 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :

CROWNED TEETH Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :

BRIDGE WORK Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus :

FILLINGS Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :

CARIES (CAVITIES) Outline location and size of cavity, shade in thus :

DENTURES (PLATES) Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.

To be prepared in triplicate.

When the amount due to the decedent's estate exceeds the sum of cash and administration of the estate is necessary.

Other persons entitled to the assets of the decedent are a claimant to the assets of the decedent as prescribed in the will of the decedent and have the responsibility of determining the amount of the assets which have been distributed to them.

When the estate of a decedent who has been deceased for a long period of time, or there are no effects of the decedent, the assets of the decedent are inventoried and the value is determined on the basis of the inventory.

INSTRUCTIONS

1. "Officers charged with the care and custody of the effects of deceased persons subject to military law are required, under the provisions of the one hundred and twelfth article of war, to deliver the same, or the net proceeds thereof, to the legal representative or widow of the deceased, and to forward the receipts therefor to The Adjutant General of the Army. Should the effects of a deceased person not be claimed within a reasonable period of time they will be converted into cash by the summary court, not earlier than 30 days after the date of death, and the proceeds with any cash belonging to the deceased, will be deposited with a quartermaster of the Army. * * * (Par. 163, A.R. 1913.)
2. "In all cases of sale of effects of deceased persons, as contemplated by the one hundred and twelfth article of war, a detailed statement of the proceeds, duly certified by the summary court, will accompany the quartermaster's receipt forwarded by the summary court to The Adjutant General of the Army. The statement will be endorsed: Report of the proceeds of the effects of _____, who died at _____, the _____ day of _____." (Par. 164, A.R. 1913.)
3. "The accounts of deceased soldiers are settled by the Auditor for the War Department, and the following is the order of distribution provided for by the act of Congress approved June 30, 1906 (34 Stat. L., 750):
Where the amount due the decedent's estate is less than five hundred dollars, and no demand is presented by a duly appointed legal representative of the estate, the accounting officers may allow the amount found due to the decedent's widow, or legal heirs, in the following order of precedence: First, to the widow; second, if decedent left no widow, or the widow be dead at time of settlement then to the children or their issue, per stirpes; third, if no widow or descendants, then to the father and mother in equal parts, provided the father has not abandoned the support of his family, in which case to the mother alone; fourth, if either the father or mother be dead, then to the one surviving; fifth, if there be no widow, child, father, or mother at the date of settlement, then to the brothers and sisters, and children of deceased brothers and sisters, per stirpes. *Provided*, That this act shall not be so construed as to prevent payment from the amount due the decedent's estate of funeral expenses, provided a claim therefor is presented by the person or persons who actually paid the same, before settlement by the accounting officers.
4. "Officers are advised that, in the cases of single men, it is a safe rule to dispose of the effects as prescribed in Paragraph 163, and leave the responsibility of distribution to the Treasury Department." (Par. 166, A.R. 1913.)
When the effects of a deceased soldier have been destroyed to prevent contagion, or there are no effects, that fact will be fully set forth on the form for inventory of effects.
