INSTRUCTIONS.

1. When articles of clothing and equipment are issued to an enlisted man they will be entered in the "issue" column, with the date of issue entered in figures (e. g., 10/30/17) on the date line. The column will be initialed by the witnessing officer and, except in the case of issue of clothing, by the soldier, a line being drawn through each blank space in the column by the witnessing officer. When articles are first issued to an enlisted man the sizes that have been determined to be the proper ones will be entered in column headed "size."

2. When articles are turned in, lost, or destroyed, they will be entered in one of the columns provided for the purpose, as in case of issues. The officer who receives the articles or records the charge on the pay roll for articles lost or destroyed (paragraphs 685, 686, A. R.) will initial the column, drawing lines through the blank spaces as indicated in paragraph 1.

3. When an individual equipment record form is filled a new one will be started and the old record retained with the individual clothing slips (Q. M. C. Form No. 165) pertaining thereto, until the next inspection by an inspector, after which all filled individual equipment records and clothing slips may be destroyed. When a new equipment record is started the number of articles transferred will be entered in first issue column of new record, and the column initialed as prescribed in paragraph 1.

4. No record will be made of a transaction where an article is turned in and replaced by a like article at the same time.

5. When a soldier is transferred or detached from his company the word "canceled" will be written in columns showing articles issued and turned in to date. The articles which the soldier carries with him, or for which he is indebted to the United States, will then be entered in the next issue column; the column being initialed by the soldier and witnessing officer, as prescribed in paragraph 1. These articles, except clothing and individual mess equipment, will be entered on Form No. 600, A. G. O., as required by paragraph 681-O, A. R. The individual equipment record will be forwarded with the service record to the soldier's new commanding officer.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your communication of recent date relative to the pilgrimage authorized by Congress in the Act of March 2, 1929.

The Act of March 2, 1929, provides that invitations for a pilgrimage shall be extended only the mothers and widows for whom it is authorized. It does not contain any provision which will permit anyone else to make the pilgrimage. It is, therefore, regretted to have to advise that your daughter is not eligible under the law to make this pilgrimage.

The War Department has been charged with the execution of this Act and its efforts, therefore, must be restricted to making the arrangements necessary for the transportation, entertainment, etc. of those named as eligible under the Act. Any arrangements which your daughter desires to make to visit the grave of your son must be made by her personally.

You are assured that competent personnel will be assigned by the War Department to provide for the comfort and welfare of those making the pilgrimage.

Dear Madam:

Receipt is acknowledged of your communication of recent date relative to the pilgrimage authorized by Congress in the Act of March 2, 1929.

The Act of March 2, 1929, provides that invitations for a pilgrimage shall be extended only the mothers and widows for whom it is authorized. It does not contain any provision which will permit anyone else to make the pilgrimage. It is, therefore, regretted to have to advise that your daughter is not eligible under the law to make this pilgrimage.

The War Department has been charged with the execution of this Act and its efforts, therefore, must be restricted to making the arrangements necessary for the transportation, entertainment, etc. of those named as eligible under the Act. Any arrangements which your daughter desires to make to visit the grave of your son must be made by her personally.

You are assured that competent personnel will be assigned by the War Department to provide for the comfort and welfare of those making the pilgrimage.

For The Quartermaster General.

Mr. David Cherry, Sr.,

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,
