Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel Astor, 45th Street and Broadway, New York City.

All mail intended to reach you between June 24th, 1931, the day you sail from the United States, and July 16th, 1931, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
146 Avenue des Champs Elysees,
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accomodation will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Very truly yours,

Mrs. Sidney Chandler,
Colbert,
Georgia.

Dear Madam:

Receipt is acknowledged of your request for a stopover at Springfield, West Virginia on your return from the pilgrimage to the American Cemeteries in Europe, sailing on the PRESIDENT ROOSEVELT, June 24, 1931.

As Springfield, West Virginia is not directly on your return route, it is suggested that you make a side trip from Washington, D. C. to Springfield and return to Washington at your own expense. The round trip rail fare is ten dollars and forty eight cents (\$10.48) and approximately two dollars and ten cents (\$2.10) for pullman accommodations round trip, or a total of twelve dollars and fifty eight cents (\$12.58) which must be paid by you. If you purchase this round trip ticket in New York City on your return from Europe, it will be possible for you to have through service from New York to Springfield.

Arrangements can be made for your return trip via Washington, D. C. without additional cost to you for rail fare. However, there will be an additional expense of thirty eight cents (38¢) for pullman accommodations, other than the expense of the side trip. Transportation arrangements are now being made and it is imperative that you advise at once whether or not you desire this stopover, and if so, please forward money order to this office in the amount of thirty eight cents (38¢), payable to the Finance Officer, U. S. Army, Washington, D. C.

All expenses incurred by you during your stopovers must, of course, also be paid from personal funds.

Your ticket will expire seventy days from date of issue, therefore, it will be necessary for you to arrange the length of your visit and allow sufficient time to enable you to reach Colbert, Georgia within the limit of your ticket, which will be about August 30, 1931.

Dear Madam:

Receipt is acknowledged of your request for a stopover at Springfield, West Virginia on your return from the pilgrimage to the American Cemeteries in Europe, sailing on the PRESIDENT ROOSEVELT, June 24, 1931.

As Springfield, West Virginia is not directly on your return route, it is suggested that you make a side trip from Washington, D. C. to Springfield and return to Washington at your own expense. The round trip rail fare is ten dollars and forty eight cents (\$10.48) and approximately two dollars and ten cents (\$2.10) for pullman accommodations round trip, or a total of twelve dollars and fifty eight cents (\$12.58) which must be paid by you. If you purchase this round trip ticket in New York City on your return from Europe, it will be possible for you to have through service from New York to Springfield.

Arrangements can be made for your return trip via Washington, D. C. without additional cost to you for rail fare. However, there will be an additional expense of thirty eight cents (38¢) for pullman accommodations, other than the expense of the side trip. Transportation arrangements are now being made and it is imperative that you advise at once whether or not you desire this stopover, and if so, please forward money order to this office in the amount of thirty eight cents (38¢), payable to the Finance Officer, U. S. Army, Washington, D. C.

All expenses incurred by you during your stopovers must, of course, also be paid from personal funds.

Your ticket will expire seventy days from date of issue, therefore, it will be necessary for you to arrange the length of your visit and allow sufficient time to enable you to reach Colbert, Georgia within the limit of your ticket, which will be about August 30, 1931.

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

1.- It would be likely to involve further delay if we should write personal letters in each of the many cases of notification of relatives as to the present resting places of their noble dead who glorify the nation's roll of honor.

2.- Will you therefore, please accept this letter as being the best we can do, just now? And will you also accept the sympathy of those who have been working hard for many months to render worthy service to tens of thousands of sorrowing people, in the care of their dead?

3.- Many delays in notification have resulted from our ignorance of proper addresses, shortage of clerical personnel, incomplete and imperfect information, or non-delivery and return of former letters.

4.- Thousands of bodies have been transferred to larger and better cemeteries, for reasons which were deemed imperative by the military authorities of all the Allied Nations, and the great task of improving these cemeteries is well under way. The most diligent care has been exercised to insure accuracy, and this immense project is being carried through as an unquestionable service to the friends of our dead.

5.- In serving you and others, we have been hampered by conditions and consequences of such a war as we hope may never involve our country again.

Dear Sir:

Today I have read a short sketch of your department and its work in the Literary Digest for July 13 - Perhaps you may guess of the effect it had upon our grief stricken families when I say that we have just received from Washington word

that our ^{2.} splendid, gay, young
brother was killed in action
~~just~~ June eleventh - The message
said in part, "Remains interred
abroad for duration of the war"

Just a telegram and nothing
more - seems that we could
hardly bear it! not to know
anything of his going or the
exact place - Was he really
found or did a kind official
say that to ease our pain, some-
one know we had thousands of
thoughts chasing each other

in a wild ³ race thru our
minds - Then, to see in a
magazine, a sketch that put
our hearts at rest and gave
me a chance to write for Mother
and find out something, perhaps,
of a dear bit of ground that
we so long to help care for, and
cannot, but which you have
marked? This was luck indeed.

There is also mentioned in
the article, the "Home Communi-
cation Service" of the Red Cross,
which has the graves photographed,
and a copy sent the family -

4
Could you turn this letter over to this
branch of the service? Are we allowed
to pay for the photographs - may we
have several? Our family is very
strong and we will all wait on -
There is another brother in the Marine
too - bitterly disappointed that he
was stationed in N. York and couldn't
be along to "stand by" when dear old
George went on to his last "rest" -
but expecting by "hook or crook" to
get sent over soon - And our
youngest brother who was eighty
on the "Glorious Fourth", is determined
to enlist during the summer -
we are proud of them -

but Maj. Pierce, I may
be writing you again
before long! — Deem like
we are all stumbling up a
long rocky hill in the dark,
but it is true that the sun
will be shining brightly when
we get to the top — isn't it?

The girls and women left
at home will do our part, so
as that, we may in some
small sense, be worthy of
the bravery and sacrifice

of you new "lover there": ~~and~~
But for my part, I'd love
to go and get shot myself
rather than have all my letters
go alone - But they think
I'm the greatest girl in the
country because I go to the
train and keep the whole
"trunk" grinning until after
they are safely away and
the letters we send to them
are pages of our nutty domp
and keep them smiling for days
so maybe I help a little

bit, after all ^{is} This letter is
a funny one to be sending a
busy man, but it grows like
jacks bean stalk, and I am
rather keyed up just now, so
please excuse me, wait you?
Our brother's address was -
Private George Essie Chandler -

~~43 Co - 2nd B'n - 5th Reg -~~

U. S. Marines -

His last letter told us that he was "at
rest" in a small village after a
"hitch in the trenches" and was going
back next day - for us to watch the
papers - Before the letter got to us
we were reading of their splendid
fighting at Chateau Thierry and

Belleau-wood - and we suppose
that it was in some of this fighting
that he was killed -

God bless and keep you safely,
sir, and bring you (all) ~~home~~
home soon -

Let us hear from you as
soon as you can find time -
I know there are hundreds besides
myself who are pleading for
a quiet word, too - I do truly thank
you -

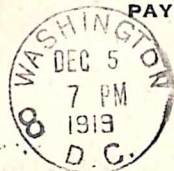

Most sincerely yours
Eugene Chandler Posey
