The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

In order that the report referred to may be made and plans completed for conducting the pilgrimages, it is requested that you answer the following questions by filling out the blanks left therefor and return the letter to this office by return mail in the enclosed envelope which requires no postage.

1. Do you desire to make this pilgrimage if eligible?	(Yes)	(No)
2. Do you desire to make the pilgrimage in the calendar year 1930?	(Yes)	(No)

Dear Madam:

Receipt is acknowledged of your letter of June 18, 1929, relative to the Gold Star Mothers' and Widows' Pilgrimage to Europe, authorized by the Act of Congress approved March 2, 1929.

It is assumed you desire to make the pilgrimage to the grave of the late Private, first class, Steve E. Christian under the provisions of Section 4 (a) of the Act which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces". In determining who is meant by the term "who stood in loco parentis", this phrase has been given its usually accepted legal meaning and it has been held that:

- (a) A person cannot stand in loco parentis to an adult who is not incapacitated either mentally or physically.
- (b) In order for a woman to occupy such a status towards a minor or incapacitated adult, she must act the part of a lawful father of such person in performing the duty of providing for him, intending thereby to take the place of the father in this particular.
- (c) In order to receive the benefits of the Act in question, she must have occupied the status toward a particular deceased member of the military or naval forces "for the year prior to the commencement of his service in such forces".

The records indicate that the late Private, first class, Steve E. Christian was 22 years and 9 months of age when he enlisted in the Army for service during the World War. There is a positive showing that he was not incapacitated either mentally or physically at the time of his entry into the military service and that he was more than 21 years of age when he enlisted. Therefore, I regret to advise that you are ineligible within the meaning of the Act to make this pilgrimage at the expense of the Government.

Very truly yours,
