Mr Carlo Emilia,
Brownsville, Pa.

Dear Sir:

The War Department desires to ascertain the wishes of the families of officers, enlisted men, and civilian employees regarding the permanent disposition of the bodies of those who have died overseas.

The original plan of the Department was to deliver the body in every case at the home address of the deceased to the person legally entitled to dispose of the remains. A desire has been expressed, however, in numerous instances to have the body remain abroad, and General Pershing is likely soon to enter into negotiations with the French and Allied Governments with the view of establishing permanent cemeteries for members of the American Expeditionary Forces. Marshal Petain in a most courteous letter has informed General Pershing that "France would be happy and proud to retain the bodies of the American victims who have fallen upon her soil."

A bill is now before Congress for the establishment of "Fields of Honor" abroad, which will insure future care by the United States Government as national cemeteries are now cared for. Burials have been made heretofore in cemeteries of the Allied nations or at or near the battle field in land set apart for this purpose as a cemetery, and religious services in accordance with the rites of the Protestant, Catholic, or Hebrew faith have been held at the grave.

In case the remains of a deceased soldier are returned to the United States they will be interred either at the former home of the deceased or at a national cemetery, according to the wishes of the one authorized to direct the disposition of the remains, and all expenses, including transportation, casket, shipping case, flag, and the preparation of the remains for shipment, will be paid by the United States. Hire of a hearse and other burial expenses incurred at the home of the deceased may be paid, on application by the relatives, by the Bureau of War Risk Insurance, Treasury Department.

In order that the proper disposition of the remains may be made, and that such disposition be directed by the person entitled to do so, the War Department will recognize the right to direct the disposition of remains in the following order:

In the case of an unmarried man—

- (1) Father; (2) mother, if father is dead; (3) brother, if both parents are dead; (4) sister, if both parents are dead and there are no brothers.

In the case of a married man—

- (1) Wife; (2) parents or children and other relatives in order set forth above.

It is desired that the information indicated on the inclosed card be furnished concerning the person named thereon at the earliest practicable date. If the card is received by some one not authorized to direct the disposition to be made of the remains, please deliver this circular and the card to the person who is entitled to do so.

The Department is unable to state when it will be possible to begin the removal of the remains of the soldiers, but the information requested is being collected at this time in order that there may be no delay when the time comes for such removal.

In returning the card please use the inclosed addressed penalty envelope, which requires no postage.

Very respectfully,

P. C. HARRIS,
The Adjutant General.

FROM: The Quartermaster General, U.S. Army, (Cemeterial Division).

TO: The relatives of our dead.

SUBJECT: Participation of patriotic societies in funerals.

1. The American Legion has expressed its desire to render any possible aid and comfort to relatives of our soldier dead returned from Europe for burial at their homes, and to honor their fallen comrades through participation in the funeral ceremonies. To this end the Legion requested this office to furnish the National Headquarters with the names and addresses of next of kin, approximate date of return and other data. This information cannot be furnished to others than relatives of the dead, since it is peculiarly their property and its dissemination to others would be a violation of our obligation to them and to the dead.

2. The desire of the American Legion is brought to your attention in order that, should you wish any aid from the organization or that it participate in the funeral of your soldier dead, you may bring the matter to the attention of the commander of the local post, or if there be no local post, to the attention of the National Adjutant, American Legion, National Headquarters, Meridian Bldg., Indianapolis, Ind.

3. It is understood to be the intention of the National Headquarters, American Legion, in case there is no local post in the immediate vicinity of the intended burial place of any returned soldier's remains, to direct the nearest post to take action on those cases where relatives so request.

4. The American Red Cross desires also to render comfort to the relatives of our dead, through their local chapters, which are in operation in almost every town. We are sure they will be glad to serve whenever they may be called upon.

5. The same is doubtless true concerning the other welfare organizations which were officially recognized during the World War and are still in operation, as well as other military associations which are locally established.

Died November 11th, 1918.
Commune of Olsene, Belgium.

It is a matter of grief to me that word must go from my office that is sure to cause sorrow to people at home, whose brave men have made war's supreme sacrifice for the sake of civilization.

You have probably already received some notice of the regrettable casualty that causes me to write to you; and, if so, it may be that you will derive some measure of comfort and satisfaction from the fact that the body you cherish has been buried as noted above.

FILE

The grave location has not been confirmed by the field force of this Service, but the notification of burial has been made to us, as herein stated. As soon as confirmation of the location has been completed, you will be promptly advised.

Thousands of such letters must be written, and my office is deluged with correspondence which is being attended to as rapidly as our men can work.

We want to serve you, sympathetically and satisfactorily, and you may be sure that our best efforts are being given to that end.

May I count myself as your friend and be permitted to hope that you may have Divine comfort in your grief?

Lieut. Colonel, Q.M.C., U.S. A.

Office of the Quartermaster General of the Army,
Washington D. C.

Your letter of Sept. 9. with enclosed blank
concerning the remains of the defunct, Angelo
Christy, Co. H. 145th Inf. (2663572), duly received.

I regret to inform you that being one of the
friends of the late family Angelo and his family
only and not close relative, I can't take
any decision on this important affair with
out the consent of his parents, who are living

in Coritsa, albania. I spoke about this matter to Mr. Tony Thomas, brother in law of the defunt, the only relative in this country but he also can't decide without the consent of the parents of the defunt.

I beg you, if it be not inconvenient, to kindly write to his parents who are ^{the} only in position to decide in the following address:

Mr. Thimi Koro.

Coritsa, Albania, to the care of
Mr Kennedy, American Missionaire.

Herewith I enclose the letter and Blank.

Respectfully, yours.
