Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Hotel McAlpin, 34th Street and Broadway, New York City.

All mail intended to reach you between July 8th, 1931, the day you sail from the United States, and July 30th, 1931, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
146 Avenue des Champs Elysees,

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Dear Sir:

Receipt is acknowledged of your letter of April 3rd, relative to the desire of Mrs. Mary Lubiewski, Mrs. Mary Rudzinski, Mrs. Kate Cipinski and Mrs. Sofia Sliva to be quartered together when they make the pilgrimage to Europe.

The reservation made for Mrs. Lubiewski to sail on the PRESIDENT ROOSEVELT July 22nd, has been cancelled, and another invitation has been forwarded her to sail on the PRESIDENT HARDING July 8th, when the other three women have accepted invitations to make the journey.

It is believed that these four women can be placed in the same cabin aboard ship and in the same hotel room in New York. In view of the fact, however, that Mrs. Lubiewski is not to visit the same cemetery as the other women, it will be impracticable to quarter her with them in Europe.

Dear Madam:

Receipt is acknowledged of your letter of September 7, 1929, relative to the pilgrimage of the Gold Star Mothers and Widows to Europe.

In reply thereto you are informed that the Act of March 2, 1929, provides that invitations for a pilgrimage shall be extended the mothers and widows of members of the military or naval forces who are buried in the American cemeteries in Europe, and it does not contain any provision which will permit of the mother or widow being accompanied by a member of her family or an attendant. It is, therefore, regretted to have to advise that you are not eligible under the law to make this pilgrimage.

Within a reasonable time prior to the beginning of the pilgrimage (May 1930) blanks will be furnished your mother upon which to make formal application for the journey. Space will be provided thereon for her to indicate the time she desires to go.

You are assured that competent personnel will be assigned by the War Department to provide for the needs and comfort of those making the pilgrimage.

Chicago, Illinois.

Dear Sir:

Receipt is acknowledged of your letter of April 3rd, relative to the desire of Mrs. Mary Lubiewski, Mrs. Mary Rudzinski, Mrs. Kate Cipinski and Mrs. Sofia Sliva to be quartered together when they make the pilgrimage to Europe.

The reservation made for Mrs. Lubiewski to sail on the PRESIDENT ROOSEVELT July 22nd, has been cancelled, and another invitation has been forwarded her to sail on the PRESIDENT HARDING July 8th, when the other three women have accepted invitations to make the journey.

It is believed that these four women can be placed in the same cabin aboard ship and in the same hotel room in New York. In view of the fact, however, that Mrs. Lubiewski is not to visit the same cemetery as the other women, it will be impracticable to quarter her with them in Europe.

For The Quartermaster General.

Very truly yours,

R. E. SHANNON,
Captain, Q.M. Corps,
Assistant.

Dear Capt. Hughes:

Your letter states that you have not as yet received my answer as to the pilgrimage to Europe. I have already sent it but I will repeat my choice.

Due to an attack of illness I am unable to make this trip in July. I probably couldn't last the entire trip in the condition that I am at this time. However, if it is possible I should like to postpone it until the following year.

Hoping this letter has not been delayed to long.

Mrs. Kate Gipinski,
1361 Noble St.,
Chicago, Ill.

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.
