Mr. Lorenzo Cuifo fu Vittore,  
Tufo di Minturno,  
Province di Caserta, Italy.

The Quartermaster General desires to invite your attention  
~~to the~~ enclosed card which gives the permanent cemetery location of  
the soldier's grave in which you are interested.

This American military cemetery is one of those to be main-  
tained by the United States for all time in Europe. Each grave will be  
marked by a headstone of white marble, of dignified design, with the  
name, rank, division, organization, date of soldier's death and State from  
which he came. Headstones will be placed at all graves in connection with  
the improvement work now in progress, as soon as possible and without wait-  
ing for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the  
utmost reverential care was exercised and more than willingly accorded  
by those who performed this sacred duty. For the future, these graves  
will be perpetually maintained by the Government in a manner befitting  
the last resting place of our heroes.

Mr. Vittore Guifo,  
Hubbard, Ohio.

Dear Sir:

With reference to your wishes indicated in Shipping Inquiry Form recently returned to this office, to the effect that you desire the body of your late brother, Private Salvatore Guifo, be shipped to you at 214 Mohawk St., Utica, New York, it is desired to inform you that before this office can comply with your request it is necessary that you obtain a written statement from the father of the late soldier consenting to this action, and forward same to this office with the least possible delay.

This office will, therefore, greatly appreciate your communicating with the deceased soldier's father in Italy and ascertaining from him whether he desires the body of his son to remain buried in France, or be brought to the United States and delivered to you, or buried in Arlington, National Cemetery, Virginia, or that it be shipped to Italy and delivered to him for reburial.

Should he desire to have the body shipped to him in Italy for reburial, it is desired that you inform him such transfer will be subject to the health regulations and sanitation laws of France and Italy, and any intervening countries through which the body may have to pass en route, and should the operation of such instrumentalities prevent the removal of the body in the manner desired, it will remain in the care and custody of the American Graves Registration Service in Europe and will be cared for under the supervision of this Government. This Government bears all expense in connection with the transfer of the body.

Your early attention to this matter will be greatly appreciated.

WAR DEPARTMENT  
OFFICE OF THE QUARTERMASTER GENERAL  
GRAVES REGISTRATION SERVICE  
WASHINGTON, D. C.

January 29 1920.

FILE

Hon. James D. Smith,  
Mayor of Utica,  
Utica, N. Y.

1. In reply to your inquiry we beg to say that the records of the Graves Registration Service contain the following information as to grave location:

Case of: **Salvatore Guifo,**  
**Co. C. 345th Inf.**

Place of burial: **American cemetery Gievres,**  
**Department of Lovi-et-Cher.**  
**Grave 1648.**

2. The grave has been registered and suitably marked for present purposes, pending the adoption of a more permanent monument by the National Fine Arts Commission, which now has the matter under consideration.

3. While it is a sad duty on our part to convey information concerning the burial of men who were our valient comrades, it is a satisfaction to answer the queries of those who suffer so grievously by the casualties of War.

By authority of the Quartermaster General:

CHARLES C. PIERCE,  
Colonel, Q. M. Corps,  
Chief, Graves Registration Service.

## INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.

2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.

3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.

4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.

6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

<b>MISSING TEETH</b>	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :	
<b>CROWNED TEETH</b>	Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :	
<b>BRIDGE WORK</b>	Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus :	
<b>FILLINGS</b>	Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :	
<b>CARIES (CAVITIES)</b>	Outline location and size of cavity, shade in thus :	
<b>DENTURES (PLATES)</b>	Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"	

7. Show name of person supervising the disinterment and the name, and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.
