July 12, 1932

Mrs. Fannie Civils,
Cove City, N. C.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Cove City, North Carolina,
January 6, 1921

My dear friend, -

As I have been notified several times, and still do not know what to tell you about my son's body, as I do not know how he died.

I am Bennie O. Civils' mother, and would be so glad to have his body, but I do not see any chance to get it. You read this careful and I think you will say I am right about it. My first telegram was that Bennie was missing and in a few days another telegram that he was killed in action October 13th, and in the same week, a message that he was wounded; and his Corporal wrote me last year he remembered well that Bennie was missing first day of October 1918, and the War Department wrote me they did not have Bennie's tag. And I have been writing and trying to find out how he died, for over two years.

I wrote his Captain to find out something about my son's death, and he would not make any answer at all. I haven't learned of only one boy in Bennie's Company that known anything about him, and I received a letter from this boy four weeks ago telling me that Bennie was sur wounded in the Hinderberg Line on the morning of September 29th, and said he talked with Bennie about ten o'clock the same morning and said Bennie told him he wasn't wounded very bad, only like a small brier scratch on his shoulder, and said Bennie told him he thought he would go to the Hospital and would be back to his Company in a few days, and said he never saw Bennie any more. Said he heard in a few days that he was dead, and thought he died in England Hospital, and I haven't never got a single word about him from any Hospital, so you see how I have been treated.

I would be glad to have the address of all the American Hospitals if I can't find out the correct statement how he died and where he died. It would be best for his body to remain over the sea, because I would want to know that I had received my own flesh and blood and not any one else, and have him put in American Cemetery in France or England, and if I can find out for sure about him, I will let you know about having him brought home.

I want you to find out if he was captured after being wounded, and probably have died in Germany, - Bennie O. Civils, was in 30th Division, Company F, 119th Infantry, was wounded 29th day of September, 1918. I am Bennie's mother.

Dear Madam:-

I beg to acknowledge receipt of your letter of May 12th, in which you request that the tag your son, Bennie O. Civils, wore at the time of his death be sent you. In reply you are advised that the tag referred to was buried with the body, the custom being to bury one identification tag with the body and to fasten another to the marker on the grave. As this is the means of identification when the exhumation of the bodies is begun, you can readily see that your request cannot be complied with.

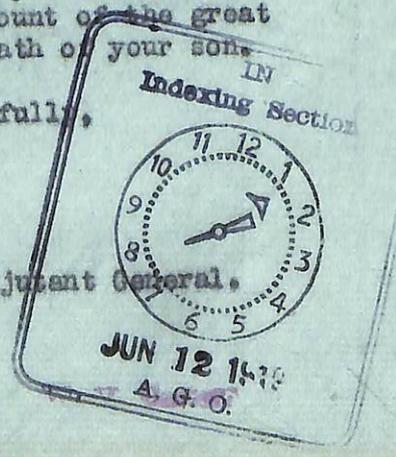

Upon investigation it is found that a card was sent you regarding the disposition of the body of your son, and it is requested that you fill out this card, stating your wishes thereon, and return it to this office, that your desire in the matter may be properly recorded.

It is desired to express to you the sincere sympathy of the Department on account of the great loss you have sustained in the death of your son.

Very respectfully,

The Adjutant General.
