Mr P. C. Harris,
Adjutant General.

Dear Sir:

This is an answer to your letter I received through my uncle Mr. J.J. Clancy, at Binger, Okla. as you wanted to know what we wanted done with the remains of our brother Wilmer Clancy, who was killed in France. Well as to your questions, I can't say just at this writing what our wishes are at present, but I would like to know where the remains is at now, and if they are in the American cemetery in France? I would like to know what was the cause of his death, also whereabouts on the front he was killed at? We haven't had any news from him except he was killed the 9th of Oct. 1918 in France. I would like to have all of the news you could give me of him. His Mother and Father is dead, he has six Sisters and two Brothers here, this is including myself, he was the oldest one of us.

Well I will be waiting your reply,

Respectfully,

Alfred Clancy,
Thornton, Tex.

P.S. Please send all future correspondence to my address, for J.J. Clancy, at Binger, Okla, hasn't anything to do with this.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the brother of the late Private Wilmer Clancy, Co. A, 141st Inf., whose remains are now interred in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Meuse, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Dear Sir:

The Quartermaster General desires you to be informed that the permanent grave of **Private, First Class, Wilmer Clancy, Company A, 141st Infantry, is Grave 22, Row 7, Block D, Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon (Meuse), France.**

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

You are assured in effecting removal of the remains, the utmost care and reverence were exercised and more than willingly accorded by those who performed this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

5. If there are minor children of the deceased soldier and no widow, the LEGALLY APPOINTED GUARDIAN of the children should ascertain their wishes and act for them in this matter.
6. If YOU are not the nearest next of kin, please ask the nearest next of kin, if living near you, to fill out this paper.
7. If YOU are not the nearest living next of kin and do not know who or where the nearest relatives are, please fill out this paper AT ONCE and mail to this office.
8. You are requested to return this paper AT ONCE in order to avoid delay in the case of this body.
9. Use the inclosed envelope—pay no postage.

NOTE.—INSTRUCTIONS FOR THE DISPOSITION OF REMAINS will be issued by this office upon the properly executed authority of the legal next of kin in each case. The widow is the first person having disposition of the remains of her husband. Should there be no widow or children, the father and, in turn (upon his decease), the mother, is the proper authority. The brothers, in order of seniority, and then the sisters in order of seniority, if there are no brothers, rank next in authority to decide. Under an opinion rendered by the Judge Advocate General of the Army, if a widow has remarried she forfeits her right, and the next of kin as given above will make decision.

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

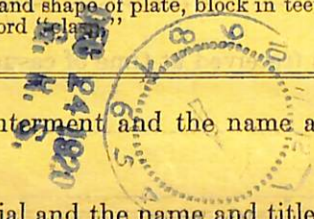

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial locations. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No."
 (b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.
6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

<p>MISSING TEETH.....All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:</p>	 <p>TOOTH MISSING TOOTH MISSING</p>
<p>CROWNED TEETH.....Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:</p>	 <p>GOLD CROWN PORCELAIN CROWN</p>
<p>BRIDGE WORK.....Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge), thus:</p>	 <p>GOLD AND PORCELAIN BRIDGE GOLD BRIDGE</p>
<p>FILLINGS.....Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:</p>	 <p>SILVER FILLING GOLD FILLING</p>
<p>CARIES (CAVITIES).....Outline location and size of cavity, shade in thus:</p>	 <p>CAVITY DECAYED DECAYED</p>

DENTURES (PLATES).....Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp".

7. Show name of person supervising the disinterment and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.

2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".
 (b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No. 6.
6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH.....All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus :

CROWNED TEETH.....Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus :

BRIDGE WORK.....Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge), thus :

FILLINGS.....Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus :

CARIES (CAVITIES).....Outline location and size of cavity, shade in thus :

DENTURES (PLATES).....Draw diagram of relative size and shape of plate, block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp."

7. Show name of person supervising the disinterment and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.
